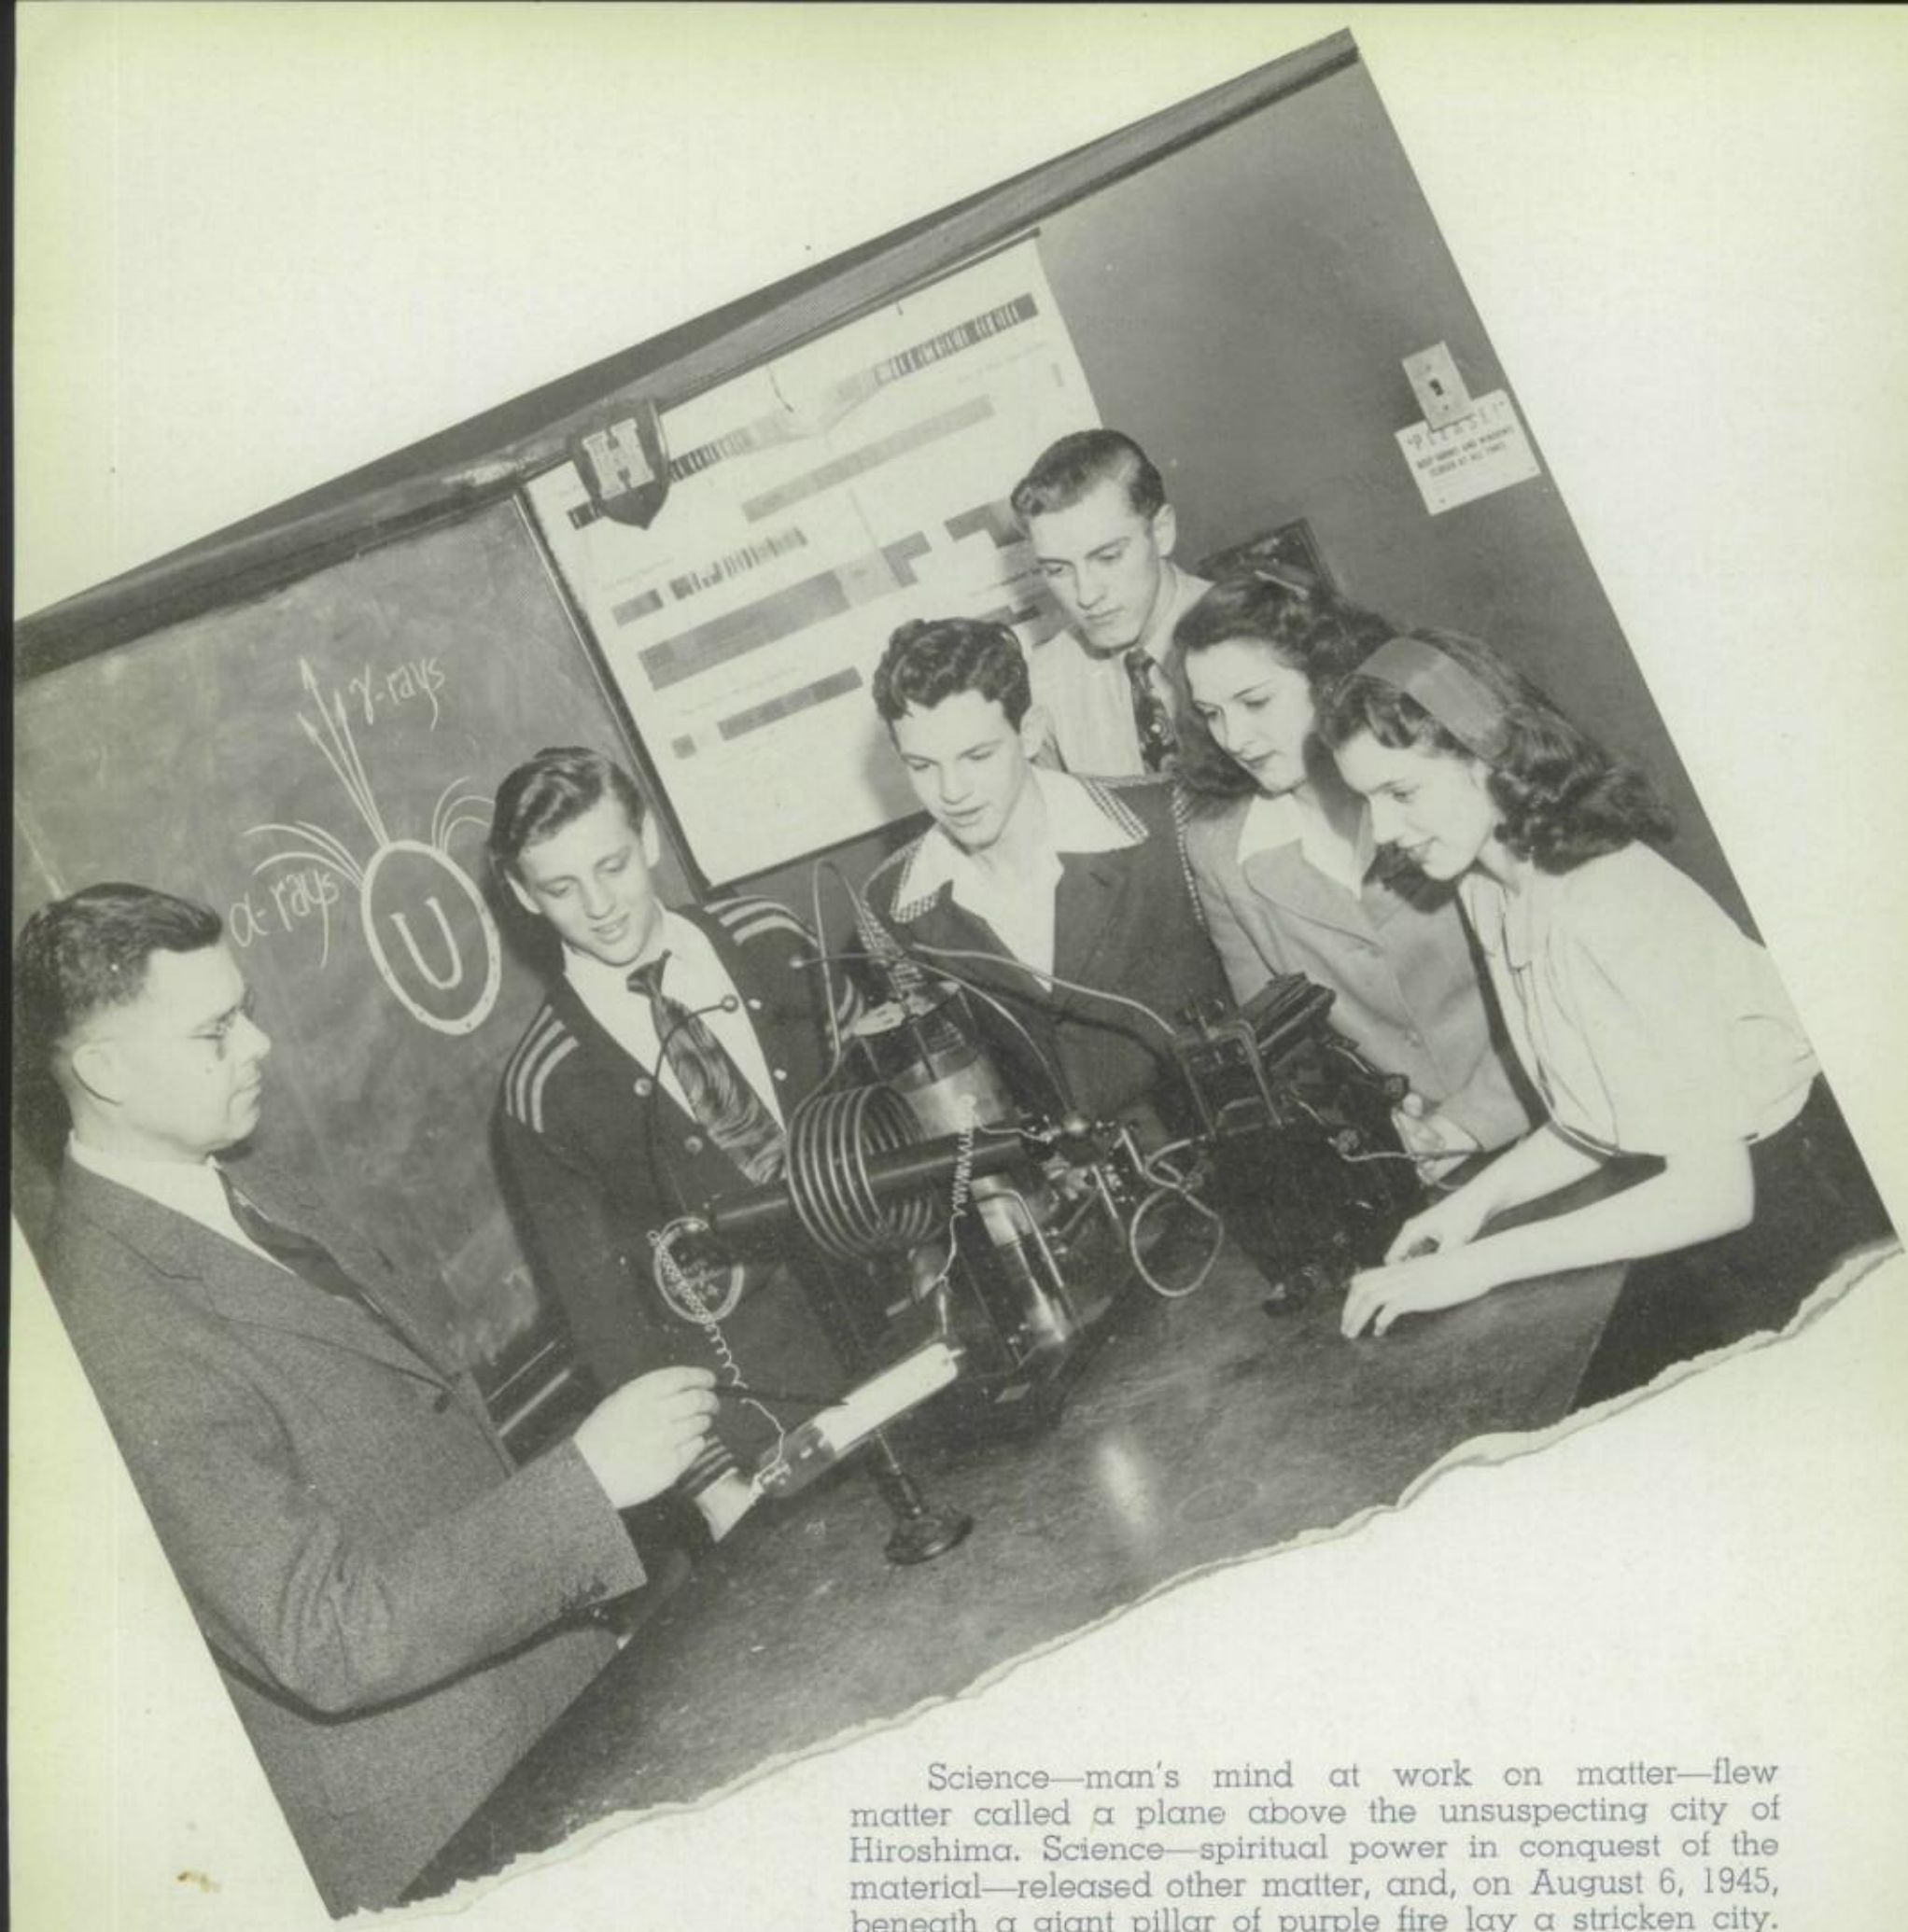
HIGH SCHOOL CHICAGO, ILL. 1946



Foreword

Science—man's mind at work on matter—flew matter called a plane above the unsuspecting city of Hiroshima. Science—spiritual power in conquest of the material—released other matter, and, on August 6, 1945, beneath a giant pillar of purple fire lay a stricken city. The Atomic Age was born. Momentarily, man's heart rejoiced in a victory through science; the human heart was aglow in the hope of peace in an Atomic Day.

Yet, that same giant pillar of purple fire charged man's soul with fear. Matter, scientifically ordered and set aflame, seared with doubt the mind that conquered it. Great as it is, and great as it may come to be, can science control its creations? Can science, of itself, conserve as enduring things the victory and peace it produced? Rather, to this purpose must not the human mind conquer itself? Such conquest, though, is not science. For such victory is borne of honest work by man's mind, not on matter, but upon itself. If the civilized world is to be preserved, man's mind must bear and nourish within itself lasting principles and exalted ideals.

Dedication

Mankind of the Atomic Age is agreed, theoretically at least, that justice, tempered and inspired by charity, must rule its life. Such is the path to peace.

Accordingly, we dedicate our work to those Harrisonites who, in practice, with minds that think just thoughts and with hearts that are warmed in charity's fires, shall aid the ordering of the ways of men and nations. Right order in personal and national life begets personal and national tranquillity. And this is peace—the tranquillity of order.

These Harrisonites shall be known, not merely as scientists, or doctors, or engineers, or educators, but as complete human beings, clear in thought and great in heart. To them we offer our efforts in this year of 1946—the Dawn of the Atomic Era.

PRINCIPAL

The Principal's Message to the Graduates . . .

You Seniors of the Class of 1946 are the first graduates in four years to leave Harrison in a time of victory and peace. For this you should be very grateful, and for this I, as your principal, am grateful.

However, peace brings its own particular problems and responsibilities. You must always remember that your future is that future of freedom and individual worth for which many of your countrymen fought and died. You have a tremendous debt toward your country, a debt of good citizenship and service. You have also a particular duty to yourselves to live up to the best that is within you, so that you will be of service to your family, your community, and your country. Yours is not an easy future, but it is a challenging one.

I extend to the graduates my congratulations on your past achievements and my sincere best wishes for your happiness and success in the future.

ASSISTANT PRINCIPAL

ELMER E. HAWKINS

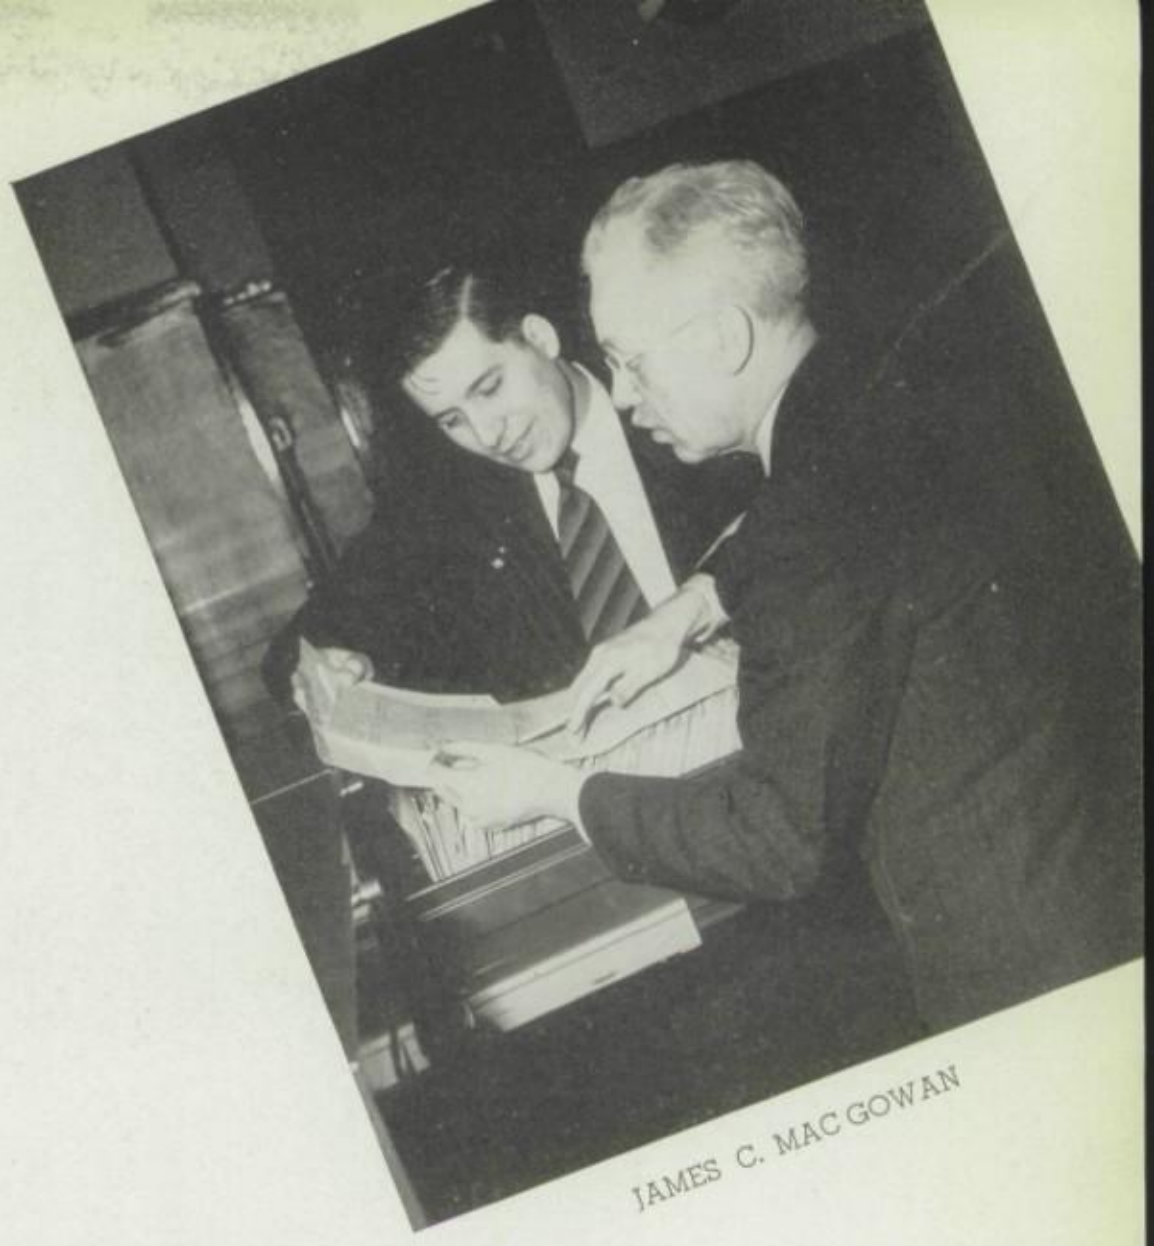
The Harrisonian extends congratulations and best wishes to the newly-appointed assistant principal, Mr. Elmer E. Hawkins. Among the important responsibilities of his office are the organization of the school and the general counselling of departments.

The year 1945-1946 marked the introduction by Mr. Hawkins and his aids of a new and highly commendable system of class registration.

Harrison's new system of class registration in full swing under the supervision of Mr. Hawkins.

ADJUSTMENT

The Adjustment Office, under the supervision of Mr. James C. MacGowan, communicates with the elementary schools which contribute to Harrison, interviews, tests, and arranges the programs for entering Freshman, and through its maintenance of files and accumulative data, together with personal interviews, aids in the adjusting of programs to the aptitudes and achievement powers of the individual student.



JAMES C. MAC GOWAN

PLACEMENT

The Placement Office, under the direction of Miss Manila Cheshire, serves the student body in various capacities. It counsels with all students who so desire at any time during their four years—more particularly during the graduating semester—on matters pertaining to matriculation in a university or to a career in business. When students are forced by necessity to drop out of school, this office assists with work permits and recommendations for jobs. The Placement Office is proud of the record made by its part-time workers.

MANILA CHESHIRE

ATTENDANCE

The chief aim of the Attendance Office is to keep as many students as possible attending school regularly, so that their highest scholastic rating may be maintained. Under the direction of Mrs. Edna M. Siebert, this office was established after an investigation of several modern attendance systems.

In order to function thoroughly and efficiently the Attendance Office keeps on file for each student a cumulative record of absences, cuts, tardiness, early dismissals, and parental interviews.

OFFICE AID

The office aid is an important factor in our school's executive department, since many of the details pertaining to the administrative duties of our principal are referred to him. Mr. Simon, as office aid, is exerting every effort to help make Harrison a better school.

Radio has been used
ccessfully to teach,
versify, and enrich read-
g and speech.

Radio, an important factor in education today, has been utilized at Harrison as a challenging medium for developing and sustaining interest in our Developmental Reading Program this year. Academic pages of learning were given new life and brilliance (by radio's showmanship and ingenuity). Our results were so outstanding that we have adopted radio as the fourth "R" in our curriculum.

The Superintendent of Shops and Drawing-rooms assists the technical teacher and the principal in helping technical students realize their ambitions. He is concerned with the equipment, supplies, and repairs of the shops and drawing-rooms.

Mr. Philip L. McNamee, the Assistant Superintendent of Schools, in charge of Vocational Education, has recently presented to Harrison war surplus machines, tools, and supplies.

Mr. Giles is also Harrison's Safety Co-ordinator.

READING CO-ORDINATOR -:- SUPERINTENDENT OF SHOPS

Miss Alice M. McGregor and Servicemen look through the Service File at Harrison.

SERVICE

In the years to come, Harrison will be able to point with pride and reverence to 4150 blue stars, and regretfully to 233 gold stars. The gigantic task of accurately recording this information has been admirably accomplished by Miss Alice McGregor.

The purposes of the service file pictured above are many and varied. Each serviceman has indicated on his card his name, service rank, citations, and service record. This record acts as a constant link between our favorite sons and their Alma Mater. These cards are also on hand for reference to aid them in later life. Thus, it provides a method of communication between them and their friends who are still attending Harrison.

WAR CO-ORDINATOR

BERNARD B. KAPLAN

Mr. Bernard B. Kaplan, who handles and directs the business of this office, has organized an active public relations program for publicizing the activities and achievements in which our school has participated.

These activities have not changed now that the peace has come. The clothing, paper, and canned food drives are still being carried on with much enthusiasm.

The War Co-Ordinator has maintained satisfactory relations with various newspapers such as the West Side News, West Side Times, Chicago Daily News, Herald American, Daily Times, Chicago Tribune, and the Chicago Sun. His many distinguished guests, including our returned War Heroes, have also stressed the importance of our patriotic efforts.

Inspired by Mr. Joseph Ewald, Harrison's reception for teachers and principals of contributing schools was climaxed by a tea in the Social Laboratory.

Band Director Ewald receives congratulations on his excellent program.

THE SOCIAL LABORATORY

Dr. Burkholder and string quartet contribute musically to the Social Laboratory affairs.

Members of the Social Laboratory Council deserve great credit for their part in the success of S. L. gatherings.

Mrs. Edith R. McNair watches Social Laboratory Council girls serve from the charmingly decorated tea table.

MANILA CHESHIRE

Miss Dorothy E. Brenner guides the serving of tea from a small table near the fireplace.

Miss Mae L. Cunningham and quartet join in song around the piano.

TECHNICAL

Mr. Fred Blenkinsopp

No words of praise can adequately express the loyalty and appreciation which countless Harrison Tech boys feel toward Mr. Fred Blenkinsopp, esteemed faculty member since 1916 who has retired this year.

The sincerity, interest, and tireless teaching skill of Mr. Blenkinsopp will long be remembered with gratitude by his fellow faculty members and by those Harrisonites who were privileged to be in his classes.

ARMISTICE DAY PROGRAM

On November 9, Harrison honored the veterans of World War I and World War II, by presenting a program commemorating Armistice Day. The organizer and director of the program was Mr. Charles Krupar, a member of our faculty, and a veteran of World War I. He had as his guest speaker General William Guthner of the Sixth Area Command Corps. Mr. Joseph Ewald, the director of Harrison's Band, organized the musical part of the program, and helped with the arrangement and direction.

Mr. Claude E. Boyer gave the invocation and Mrs. Florence Skidmore represented the service women of both wars. The Band and A Cappella Choir presented selections, and throughout the assembly, members of the Harrison faculty who had been in the Armed Services were seated on the stage.

The Armistice Assembly of 1945 was brought to an impressive conclusion as the audience and participants faced east in reverent tribute to our country's heroic dead, while a trumpet sounded the plaintive "Taps" and the faint sound of another responded in the distance.

THE MORRISON HOTEL

January 29, 1946

The Senior Banquet of the January class, sponsored by Miss Mabel Higgs, and with Joan Hadad and Harry Vopicka as chairmen, was a wonderful occasion, distinguished as it was by a friendly atmosphere, fine food, and excellent service.

With Principal and Mrs. Louis F. Brook, and Senior faculty members as their guests, Glenn Pfundheller as Master of Ceremonies, and a musical program provided by talented Seniors, this Banquet was a truly memorable event.

Henry Brandon's
Orchestra

By far and away the most glamorous occasion of the Senior social year is the Prom: charmingly-gowned girls and handsome boys, a brilliant ballroom, and enchanting music make this evening an elegant and long-to-be-remembered one.

The January Prom, with Mrs. Harriet W. Bissell as Sponsor and Edward De Rose and Susan Aiello as Co-Chairmen was held at the Drake Hotel.

SENIOR SPONSOR

The January Class was characterized by a splendid class and school spirit, by the loyalty and co-operation which it extended to all Harrison activities, and by the consistent success of all its own graduating social affairs. In a great measure, this success was due to the interest of the class sponsor and division teachers as well as to the excellent officers.

Mothers and daughters in a happy group share in the social festivities of the Senior year.

One of the happiest and most sentimental affairs of the Senior Class is the Mothers' Tea, providing, as it does, a chance for the Seniors to show their love and gratitude for years of devotion and inspiration. The Mothers' Tea of the January Class was a charming affair held on January 9 and 10 in the Social Laboratory.

ROLLER SKATING ★

One of the most enjoyable affairs of the January Seniors was the Roller Skating Party held on September 28, at White City. Plaid shirts and swirling skirts, melodious organ music, the unpredictable antics of the beginners, and the graceful twirling of the experts all combined to make this a memorable evening.

A Comedy in Three Acts

★

Presented by The Senior Dramatics Class

★

Directed by Marie H. Kelly

"DON'T YOU DARE CRITICIZE MY SLACKS!"

Cash and Carrie, a comedy in three acts by Dorothy Rood Stewart, was presented under the direction of Miss Marie H. Kelly by the Senior Dramatics Class on Thursday afternoon, January 17, and on Friday evening, January 13. It was the first time that any group in Chicago presented this hilarious comedy, which was published in 1945.

AT LONG LAST— THE CAST AT LEISURE!

DIVISION 257

Under the guiding hand of our sponsor and division teacher, Mr. Crane, we have formed an integral part of the graduating class of January, 1946. Members of our division have participated in the activities of the Orchestra, Band, Choir, Herald Staff, Office Aids, Honor Society, and various committees during their four years at Harrison. The Senior Class Secretary, Dorothy Jurczyk, was a member of our division.

Co-operation, our key-note, was evidenced in our relations with both teachers and one another. This teamwork was found to be an important factor in the successful operation of our varied endeavors.

JEFFERSON W. CRANE

Four years at Harrison have prepared us to become better citizens. In leaving, we know that behind us lie the happiest and most carefree days of our lives. Nevermore will we walk through the halls of our Alma Mater as students; we are now numbered among Harrison's past.

DIVISION 257

Here are snapshots of the leisure moments of one of Harrison's liveliest divisions.

DIVISION 321

This happy and successful group of Seniors can proudly reflect on their record at Harrison. Good fellowship and co-operation are their keynotes.

DIVISION 321

MABEL HIGGS

Division 321 is composed of twenty-nine ambitious Seniors. Under the capable guidance of our friend and sponsor, Miss Mabel Higgs, we can proudly say that we have reached the goal of being one of the outstanding divisions of the January '46 class.

Our group is represented in the various organizations at Harrison. In our midst you will find the Editor and Business Manager of the Herald; Champion Backstroke Swimmer; Public Address Attendant; Leader of the popular Harrison Swing Band; three Honor Society members; and various other achievements.

Five former members of our division who have been on the Harrison Swimming Team are now in Service; Kenneth Engel is in the Navy and Richard Shwery is in the Marines.

We extend our deepest gratitude to our division teacher, Miss Higgs, who supplied the initiative which gave us our first step toward progress in the future.

DIVISION 127

Four years! It seems like only yesterday when we filed in Division 127 —very frightened and so very young. But, when we look back, we find those years filled with many happy days—unforgetful days which shall always remain locked within our hearts.

We are proud of our five boys who are serving in the Armed Forces; also of our stars in Football, Cross Country, Track, Band, R. O. T. C., Choir, Gymnastics, and the many other activities of Harrison.

We are leaving, and so to our Freshman followers, we leave our faithful division teacher, Mrs. Bissell, our Division room, which we shall always remember, and all our teachers who were so good, understanding, and always ready with a helping hand.

HARRIET W. BISSELL

As we go into a new world, many will continue in school, but most of us will go to our jobs, especially the job of making ourselves good "Future Americans." To our successors, we leave the task of maintaining the ideals of Harrison; for four years, hold high the spirit of our Alma Mater, and cherish well the opportunity that is yours.

We shall look back through the years on days of serious effort and gay recreation spent at Harrison.

DIVISION 127

DIVISION 125

The Skylarks have always been distinguished for inspiring group loyalty.

FLORENCE T. SKIDMORE

DIVISION 125

The active and popular group of students in Division Room 125, known as the Skylarks, have tried to maintain the high standards of Harrison at all times.

With the untiring efforts of our devoted division teacher, Mrs. Florence T. Skidmore, we have finally reached the top and now boast proudly of our "perfect" thirty-six Skylarks. We are grateful to her for the great patience she showed at all times and the interest we realize she had in helping us become a success in life.

The Skylarks had the following officers during their 4A semester:

Pilot - - -	Emil Marcheschi
Co-Pilot - - -	Vera Buralli
Navigator - -	Walter Pyzik
Purser - - -	Fred Guttas

Aside from the fact that we are all out for "good times," we can truthfully say that our grades are exceptionally good, and would like to point out that five students are members of the National Honor Society. Other Skylarks made a fine showing in the Boys' Chorus and A Cappella Choir.

When we, the graduates of 125, stop and look back in the years to come, we shall remember with deep pleasure and appreciation the valuable assistance we received during our four wonderful years at Harrison.

DIVISION 123

In four years we have been molded into mighty Seniors and now it is time for us to bid farewell to good old Harrison High. During these years our accomplishments have been many and we give much credit to Harrison and its teachers who helped encourage them. Since most of us hail from Jungman and Manley, we are grateful to them for having given us our start in our high school careers.

Our Division 123, under the excellent guidance of Miss Cobb, has a representation of thirty-three students. Among them are Joseph Skubnik, President of the Honor Society; Gladys Shuber, Treasurer of the 4A Class; and Jack Golden, an outstanding player on the Football Team. Others have participated in such sports as Volley Ball, Baseball, Football, Basketball, and Bowling. All of these we did as a group and now the time has come when each of us will take separate paths into other phases of our lives. Some will enter college, some will seek employment, while still others will enter the armed services.

J. AGNES COBB

Division 123 bids a sad farewell to our Alma Mater, Harrison High.

DIVISION 123

Division 123 wishes to express its gratitude and appreciation to its sponsor, Miss Cobb, and to all the teachers who made their stay at Harrison so memorable.

The Advisory Committee of the Senior Class of June, 1946, was composed of two elected members from each of the eleven Senior divisions and included in its membership the four class officers. This committee planned the class activities and appointed the ten other committees.

The Advisory Committee took charge of the 4B Skating Party, the 4B Frolic, the 4A Dance, and the purchasing of the red and white class beanies.

SENIOR FROLIC

Box Lunch

Dancing, games, prizes, and beautifully—decorated boxes were the highlights for the wonderful Senior Frolic held by the June Seniors at Douglas Park on December 8, 1945. Of the many grand social affairs held by this class this was truly one of the gayest.

ROLLER SKATING PARTY

The music goes 'round and 'round!

The Roller Skating Party held at White City on October 19, 1945, was one of the gayest gatherings of the June Graduates.

A group of gayly clad skaters pose with their class sponsors.

Chivalry still lives! Young gallants assist the girls with their skates.

DIVISION 336

HUGH L. RAY

On a sunny day in September, 1942, we started our high school careers.

Having graduated from grammar school, we assumed an air of importance and self-satisfaction, but we were secretly awed by the new step—HIGH SCHOOL. Everything was so new and bewildering that we surely would have been very much discouraged but for the guidance of our division teacher, Mr. Ray.

For four years we proved to be an energetic bunch. Mr. Ray, an expert on Football, wrote several books on the subject. Elaine Votava is the Vice-President of the Senior class and Mary Dole is the chairman of the Cap and Gown Committee. Whenever "Honor Society" is mentioned the names of Handwerker and Robert Wolf come to mind. Likewise in sports "Football" means Werner and Postregna; "Wrestling," Kaprak and Kraft; "Band" makes us think of Richard Wolff.

We all agree that we had four grand years at Harrison and they never will be forgotten.

DIVISION 400

Division 400 composed of 37 Seniors is a combination of students from Manley, Jungman, and Harrison. Regardless of the school difference, they cooperated willingly to activities of all sorts.

We are well represented in the Honor Society, R. O. T. C., Band, Orchestra, the Harrisonian Staff, athletic teams, and the G. A. A. Our division was represented in the Senior Play by Vilma Ghilardi and Stanley Ptasic.

SAMUEL R. BURKHOLDER

We are under the guidance of Dr. Burkholder, our division teacher, who has done his utmost to make Harrison proud of us.

We know that after graduation we shall miss our beloved Harrison and the many happy days we spent there.

DIVISION 221

It is with somewhat subdued sorrow and yet with unbounded pride and joy that we of Division 221, realize that we have at last completed our trek up the first hill of knowledge and reached the summit of our happy high school days.

During our "sojourn," here at Harrison we have carried on as is befitting a celebrated division room. For example, we have in our midst the Class Salutatorian, Rosemarie Tomasek, the Co-Editor-in-Chief of the Harrison Herald, Virginia George; Football Team members Alfred Brosky and Joe Mika; and several Honor Society members; Edward Krupkowski, an army veteran of World War II. Meanwhile, Maurice Frey and George Kroeplin are attempting to complete their education while serving with the Navy.

ELSIE SMITH

We shall miss those parties at Rosalind's rumpus room and the picnics at Rosemarie's in Lemont, but now we must bid farewell to those joyous days and enter a new phase in our lives.

CHICAGO - CITY - JAIL

DIVISION 225

LOUETTA WOOLFENDEN

We offer our condolences to Harrison, as this estimable institution will henceforth be deprived of our electric personalities, because, due in large part to the successful efforts of Miss Woolfenden, we are graduating.

By our interests in activities, the Football, Baseball, Gymnastic, and Basketball Teams benefited by having George Antzak, Frank Parker, Clarence Beuke, Casimir Tabisz, Matthew Wisnowicz, Robert Pravnan, and Justin Fortuna, to aid them in their persistent efforts for championships.

In the brain department, we have Wanda Klave, Walter Kuzaj, Loretta Los, Dorothy Matusz, Rosaline Mish, and Edward Strama in the Honor Society.

Those who are now in the Armed Forces are: F. Smuda, W. Hernandez, P. Hernandez, and E. Tivador. Division 225 sincerely regrets the death of P. Oderaka, a former member, who was killed in an accident in California.

Looking confidently into the future, we cast a glance of pity at the incoming Freshmen who will now begin what we have just ended.

Good-bye Harrison, we will miss you!

The Good Book says, "He that increaseth knowledge increaseth sorrow." It is easy to see why we're the happiest Senior division in the school.

An easy-going group (under the guidance and watchful eye of Mrs. Edith McNair) we have entered into the various extra-curricular activities offered and are well represented in each. (We pounced upon Intramural sports, capturing the Football Championship last semester.)

Among the more outstanding of our division are Honor Society Treasurer, Adaline Storgul; R. O. T. C. Major, Charles Swan; Adam Gaspar, Senior Basketball Team member; Marie Marchetta of the Student's Advisory Committee, and our Division delegate, Ted Mayer.

Four pleasant, happy, and eventful years are about to close for us—four years of studies, examination cramming, assemblies, proms, and football games on frosty fall Saturdays. Four wonderful years of R. O. T. C. parades, eight o'clock make-ups, after school cokes and every other youthful school-kid frivolity, the faintest recollection of which, in the coming years, will bring to us a nostalgic twinge and a longing to be back once more in the happy and carefree period of high school adolescence.

DIVISION 344

EDITH R. McNAIR

DIVISION 227

EVA B. CAPPETTA

Miss Eva Cappetta, admired and respected division teacher who aided us through the most hectic period of our high school career, our Senior year, deserves all the thanks and appreciation for any success we may have garnered.

A division packed with talent, we are fortunate to number among our group such active, cooperative, and well-liked students as Josephine Linder, Secretary of the National Honor Society; dilligent worker for class activities, ambitious Arlene Sotonak; Advisory Board members Mary Hernandez and Robert Moreschi; the lovely Szymanski twins, Doris and Dorothy; and our other solid fellow students who represent us in virtually every activity including the Honor Society, Intramural Sports, the Choruses, the R. O. T. C., Girls' Bowling Team, and the G. A. A.

It has been a great, a happy, at times a confused, and at other times a wonderful period in our lives—four years we shall never forget, the memory of which we shall always treasure.

DIVISION 317

Spring is here and the seige has ended. The drawbridge is being lowered and the soldiers of education are marching over the strewn bodies of books to a new life.

Starting out as new buds, all are confident of blooming into an array of success and happiness. Amongst the most promising of these is Ruth Busch, Valedictorian of the Senior Class, deriving this privilege by holding a 4.89 average through all four years.

In participation in school sports and intramurals, Division 317 stands out as a lone star in the heavens.

Our gratitude is extended to Bill Gavac, delegate, and Jim Kaludis, Alternate, under the supervision of Miss Johnson, for accepting the responsibilities of guiding our division through its last semester.

ESTHER M. JOHNSON

As the time for parting draws near, the setting sun, ending a day in one part of the world and beginning a new in another, gently reminds us of our end of a life of carefree joy to the beginning of the life of calculating responsibility.

DIVISION 226

When the callous world begins to cull the poorer quality from the better quality we, of Division 226, shall, as we have these past four years at Harrison, remain at the top. Witness the outstanding contributions we have made to the Bowling, Gymnastic, Baseball, Football and Basketball teams, the Honor Society, R. O. T. C., and Chorus, and there shall remain no doubt in your mind as to the truth of this statement.

We are especially proud of Stanley Lasuk who, besides being the Senior Class President, was a delegate to the youth Conference.

MARGARET TIBBETTS

Of course, had it not been for our "deity," Miss Tibbetts, who has with unflinching determination faced the many problems we innocently created for her, our division would have been in a sorry state.

However, we must now look towards the future, a future which, with four years at Harrison as a backbone, cannot help being successful.

DIVISION 226

DIVISION 330

The members of this division entered Harrison Tech in September, 1942 and now after four glorious years they bid good-bye to their beloved school. All that will remain will be the cherished memories of their days spent here receiving an education as well as the fun they had with the friends they met at Carter H.

The students of Division 330 have been very active in sports; namely Basketball, Football, Swimming, Gymnastics, and Bowling. They are well established in other organizations such as R. O. T. C., A Cappella, Band, and Orchestra.

R. CHASE PHIPPS

This division has always been staunch supporters of the various school activities; among these are; Scrap Drive, Paper Drives, Can Goods Drives, Red Cross, and the all important Bond Drives.

The members of the division wish to express this sincere gratitude to Mr. Phipps, their division teacher, for his consistent kindness and interest in their welfare.

DIVISION 309

Under the supervision of our division teacher, Mr. Sazama, we of Division 309 have attained the final step of education in Harrison, and will always remember our years spent and enjoyed here.

Our division officers for the past two years have been: Steve Baluk, President; Gloria Gradishar, Vice-president; La Verne Lamberg, Secretary; and Kenneth Marek, Treasurer.

Harrison may be truly proud of the young men and women in this division. In the four years spent they have gained and given those essentials so necessary to good citizenship and wholesome living; now they are ready to meet the new life thrust upon them.

The individuals of this division realize their debt to their alma mater and will always retain her ideals within their hearts.

We would here like to express our deepest appreciation to Mr. Bohumil Kral, who had been our division teacher until a leave of absence was necessitated last year.

JAMES SAZAMA

DIVISION 309

DIVISION 215

Division 215 can proudly boast of achieving that goal for which every division strives upon entering high school. Comprised of twelve boys and twenty-two girls we have cooperated to the fullest extent to maintain our high standard.

We have ten members in the National Honor Society, which is more than any division represented, and we point with pride at Joe Dickshinski, its President.

Not only is our scholastic record high, but our participation in school activities has also proved successful.

Marion Gnat is Editor-in-Chief of the Herald; Henry Dragich, a Captain in the R. O. T. C. Band; and Rose Marie Skupien, Vice-President of the G. A. A.

ELSIE R. FOX

One would think this list long enough, but the Harrisonian Staff, Orchestra, Chorus, Band, S L. R. T., and Intramural Sports have also claimed many of our members.

We realize that without the helpful guidance of our division teacher, Miss Elsie R. Fox, we would have been unable to achieve our successful record.

SENIOR DANCE

On March 1, 1946, the June Seniors held a Senior Dance at the S. N. P. J. Auditorium. A wonderful evening of dancing was had by all attending, with music provided by Ray Phillips and his orchestra.

ENGINEER — CUSTODIAN

HARRY A. GRANQUIST

Transferring to Harrison from the Howland Elementary School in December 1945, Mr. Harry A. Granquist is now our chief engineer, replacing Mr. Charles Carlson who retired.

Among the many important and arduous tasks assigned to the twenty-two men under his charge are the heating of the building, the care and cleaning of the rooms, corridors, and grounds, and building and repair work in the lunchroom and R. O. T. C. building.

In the short time he has been here, Mr. Granquist has shown his efficient interest in the welfare of Harrison by his excellent supervision of engineering and maintenance.

★ ★ ★

THE LUNCH ROOM

"Good Food Is Good Health"

The past semester has brought few material changes in our lunch room. We had hoped to see the proposed remodeling started, but building priorities have been held back until a later date. However, we have been fortunate in other respects. Our food supplies have been varied and plentiful, enabling us to carry on our lunch program without losing any of the vital elements necessary to the health of our patrons.

For the second time this semester we have purchased one hundred dining room chairs. A revised system of seating and captaincy of tables during lunch periods has resulted in a more orderly room. To Mr. Brook and the teachers who supervise during the three periods we extend our thanks.

The loss by death of two of our lunch room workers has saddened our department—Estelle Oswald, who served our teachers for more than fourteen years, is sorely missed by all who knew her. Victoria Daniel, a newcomer, passed away March 20, 1946.

To our new engineer, Mr. Harold Granquist, and members of his department we extend a vote of thanks for their co-operation. Also the loyalty and support of our faculty is sincerely appreciated.

The Harrison Band Parents Association is a chartered organization composed of parents and friends of the students in the Band. Their objective is to give moral and financial support to the Band, buy and repair instruments, furnish sheet music, transportation to contests, and incidental expenses.

Two innovations in the Association's program this year were the very successful dinner at the Home Arts Guild and the luncheon at the Milk Foundation, due to the untiring efforts of Mrs. Anna Wolf.

The Band, composed of 110 members, serves the school and community. It plays for numerous assemblies, football games, participates in contests, R. O. T. C. federal inspection, parades, and has semi-annual concerts.

This year the Band was rated "Superior" in the 21st Annual Chicago Public High School Band Competition. The judges made special mention of the Band's size, instrumentation, fine spirit and general effect of performance.

Signal honor was paid to the Band by being chosen to play for the Annual City-Wide R. O. T. C. Platoon Competition at the Illinois National Guard Armory.

Section Leaders

The first chair players hold the title of section leader. They rank high in musicianship and leadership.

Commissioned Officers

About one-fifth of the Band members are commissioned cadet officers. They receive ranks from a cadet corporal to a cadet major. They are responsible for military drill and courtesy at all times.

Commissioned Officers

The girls receive the same ratings as the boys. The military regulations are one of the reasons for the success of the Band.

The Parent-Teachers Association of Harrison High School is an enthusiastic organization whose purpose is to co-operate with projects which contribute to the welfare of the school and to give parents and teachers an opportunity to discuss solutions of problems arising and thus to aid the students.

Among charitable work of the P. T. Also, we are working toward building up a student aid fund for needy Harrison High pupils.

SAMUEL R. BURKHOLDER

One of the musical organizations that needs no introduction to the students and faculty of Harrison, is the Harrison Concert Orchestra. Over a period of many years, this orchestra has thrilled its audiences with its excellent performances on various occasions. Words cannot express the magnificent quality, with which the orchestra delivers the works of the great masters.

The Harrison Concert Orchestra is well known for its splendid services rendered to Harrison Tech. Under the capable direction of Dr. Burkholder, it has played for Honor Society Initiations, School Programs and Assemblies, Senior Class plays, and furnished ensemble music for important teas held here at Harrison.

The Orchestra will participate in the Annual Orchestra Contest that will be held at Harrison May 8, 1946. In the forthcoming Spring Festival, the Orchestra will play such well known pieces as Chopin's Polonaise, and Morton Gould's Pavanne.

In the future as in the past, we expect to hear more of this superb music.

Under the capable direction of Mrs. Helen Patton, the A Cappella Choir has achieved success.

The Choir believes in hard work, but there is always room left for pleasure. That is obvious to anyone who attended the skating party in October, and the Harvest Dance held in November at the Carleton Hotel.

The Choir also participates in school programs. The Fall Festival, Thanksgiving and Christmas programs were memorable events.

"E" was the rating received by the Choir in the choral contest. Every minute of the choir period was spent in rehearsing. The Choir went into the contest with confidence. Although "E" is considered a good grade, the choir is aiming at an "S" for next year.

The members of the A Cappella Choir appreciate the opportunity to participate in functions which add to the spirit of Harrison.

Under the able direction of Miss Marie S. Johnson the Boys' Chorus has performed in numerous assemblies. For the first time in many years the Boys' Chorus has participated in the All-City Choral Contest and received a rating of excellent. In addition, they have taken part in the Minstrel Show and Fall Festival.

The Chorus may be divided into four vocal groups—the first tenors, the second tenors, the baritones, and the basses. Each applicant for the Chorus is thoroughly tested before he becomes a member to determine his vocal range. Furthermore, members are examined at the end of each semester for vocal variations and are accordingly re-assigned.

The Harrison spirit of co-operation, the love for singing, and fine enthusiasm are marked characteristics of the Boys' Chorus.

ELMER E. HAWKINS

Since 1923 the S. L. R. T. has been in continual progress. The main purpose of this group is to bring together capable students who are interested in participating in extra-curricular activities for the benefit of their school and community.

The members of this worthy organization must be in the upper bracket of Harrison, show leadership, have an attitude of good citizenship, and have the ability to cooperate with other students and faculty members.

With the welcome help of their supervisor, Mr. Hawkins, they have made outstanding achievements throughout the school.

The Student Leaders meet once every week and have elected the following as their officers: Chairman, Dorothy Dorosz; Vice-chairman, Ursula Terraciano; Secretary, Dorothy Rzonca; Treasurer, Richard Ciesler.

THE HARRISON HERALD

To gather the news, publicize school events and promote extra activities are the purposes of the Harrison Herald. It is the medium of student expression, propagating the spirit of co-operation and good will throughout the school.

Devoted to informing and entertaining the student body, the members of the staff gain first-hand experience in newspaper publication. They become acquainted with the literary, news-gathering, business and advertising aspects of newspaper work.

Staff promotions are made on the basis of merit, students being elected to their positions by senior staff members and adviser at the end of each semester. Loyalty, a sense of co-operation, aptness at writing and school spirit are a few of the characteristics typical of staff members.

HARRISON
JOURNALISM

The Herald is published bi-monthly and is sent to hundreds of former Harrisonites now in the armed forces, remaining the major tie between the school and its fighting alumni.

The Honor Society is an organization which tries to stress the importance, not only of Scholarship, but of Leadership, Service, and Character as well. Candidates are initiated in their 3A semester if they have an "E" average or better and at least ten service points for extra-curricular activities.

The meetings of the organization are held once every month in the annex study hall where the members engage in a discussion of current topics. Also, committees are appointed at these meetings to help enforce the many school activities. One of the activities handled by the committee was a tea given earlier in the semester for the Freshman who had attained an "E" average.

The Honor Society member should feel rewarded when he receives the gold tassel from his graduation cap, the gold seal on his diploma and the membership card which can be very useful in later life.

Our symbol, the flaming torch, shall be our inspiration for better things in the future.

The National Honor Society of Secondary Schools was founded by the National Association of Secondary School Principals in 1921. Since that time, secondary school administrators throughout the United States quite generally have approved of its objectives and there are now more than twenty five hundred local chapters.

Since June 23, 1924, when Harrison Chapter No. 277 was originated, we have endeavored to stimulate our four keynotes of Scholarship, Leadership, Character, and Service into the general make-up of our members.

The spring semester's activities were climaxed by a dinner dance held in April. The members of the Crane Honor Society were invited to attend this event.

In remembrance of their membership in the Harrison Honor Society, each graduation member is given the gold tassel from his mortarboard.

Let this tassel be the symbol of a life of achievement now well begun.

It is indeed most gratifying to the teachers in charge and to the hostesses who assist them to note the graciousness and friendly spirit which prevail in this "socialized atmosphere."

RED CROSS

SPRING

The purpose of this small but well-organized group of girls is to bring cheer into the lives of hospitalized servicemen and children in the war-torn countries.

Book shelves and smoking tables were constructed and shipped to the service hospitals, and Christmas tree ornaments were made and hung on the Yuletide trees of charitable institutions. Besides this, the Harrison Red Cross Chapter has made sixty dolls and turned in about one-hundred gift boxes to be distributed to children in the war-torn areas.

Our latest project was the making of three-hundred nut cups for Easter. These were filled with candy provided by the Harrison Student Body and placed on the trays of hospitalized veterans.

We all feel that Miss Cunningham, our sponsor, has handled the activities of this organization in a highly commendable manner.

FALL

Under the sponsorship of Miss Mae L. Cunningham, the girls who compose the Harrison Junior Red Cross work with friendly spirit on worthwhile projects.

Before Christmas the Harrison Junior Red Cross made and filled nut-cups for veterans; packed fifty-one boxes with useful articles to be sent abroad; compiled five-hundred Christmas Carol Books for veterans; collected and decorated Christmas tree ornaments; sewed and finished three-hundred utility cases; constructed one-hundred book shelves, made by the boys in the shops; and compiled one-hundred cross-word puzzles.

We are proud of our efforts and our production, and thank the faculty and student body for their splendid cooperation.

. . . LIBRARY STAFF

Perhaps a few figures taken from our records will help you better to understand what your librarians and library staff are doing for Harrison High. During 1945 they have cared for 116,223 pupils or an average of 600 pupils per day.

They have circulated 29,216 books and 1198 magazines; written 4541 over-due and fine notices; mended 771 books; pasted in 727 book pockets and 1749 date slips; prepared 554 books for the bindery; shelf-listed 700 new books and prepared them for the shelves; collected $765.97 for fines and lost books; made daily records of all these transactions, and, compiled reports.

All this besides answering hundreds of questions each day. A very busy group!

ASSEMBLY

One of the most popular celebrities to visit Harrison in connection with the War Bond Drives was Allan Jones, stage and screen star, who sang THE DONKEY SERENADE, from THE FIREFLY, and IF I LOVED YOU, from CAROUSEL.

REGISTRATION AND

The Registration Club, a service organization whose members assist in the registration for classes under the new and highly successful program system at Harrison, has elected the following students as officers: President, Geraldine Pareski; Vice-President, Gloria Nicewick; Secretary, Josephine Linder; Treasurer, Shirley Langer.

As chairmen of each class period these students were chosen: Geraldine Pareski; Josephine Linder; Dorothy Douglas; Shirley Langer; Delores Stozek; Virginia Bertz; Rachel Rosales; Gloria Nicewick; and Lila Cutler.

ATTENDANCE CLUBS

The Attendance Club, which is a service organization, elected the following captains for the class periods:

1. Anita Koral; 2. Anita Pastregna; 3. Mildred Srouse; 4. Bernice Hway; 5. Mary Kaludis; 6. Adeline Glow; 7. Marjorie Cox; 8. Mary Milazzo; 9. Regina Niccola.

SQUIFLS

If you see something red and white whizzing by it is not an atomic bomb, it is only a Squifl. This group of girls was organized for the purpose of continuing after graduating the friendship which has grown throughout their high school years.

Regular meetings are held every two weeks. The girls participate in all school activities and social affairs and are represented in the Honor Society, G. A. A. Board, Hall Guards, Student Leaders Round Table, Student Helpers, Choir, and Bowling. Their bowling team made a fine record in the last two seasons. They consider, however, their chief amusement to be eating, and one has only to attend a meeting to see what an important part the food plays.

Miss Tibbetts, their sponsor, has cooperated with the girls in every way, and to her they are all very grateful.

"One for All, And All For One"
That's what their motto is,
They are the gals and pals of H. H. S.

POP'S BOYS

Pop's Boys Club, formed by twelve boys in October, 1945, is for the original members only. Some of us had our sponsor, Mr. Boyer, well-known by all the students of Harrison, for our division teacher in 1B.

Members of this club are on the Football and Track Teams, and we all expect to graduate in January '47. We are known as: Hank, Eccky, Don, Geo, Chuck, Mr. B, Dick, Dare, Bones, Pee Wee, Zombie, and Lenny. You can recognize the members by their very individual and handsome jackets.

ATTENDANCE OFFICE HELPERS

EDNA M. SIEBERT

The Attendance Office was organized to maintain a higher attendance record at Harrison. The students who work there are helping to keep it high. They collect absent slips, keep track of all the early dismissals, class cuts, and the interviews with parents. They also keep every student's record, regarding work, with the Attendance Office for the four years in neat files.

This office is under the capable guidance of Mrs. Seibert, who is doing her utmost to keep it a successful office. The helpers are working hand in hand with her.

DIVISION DELEGATES COUNCIL

President ..... Dorothy Dorasz

Vice-President ..... John Kobernitz

Secretary ..... Alice Harey

Treasurer ..... Adeline Tannenbaum

ELMER E. HAWKINS

Division Delegates is a service organization whose members, honored by being chosen as division representatives, contribute service of time and energy for the welfare of the school.

Twice a month, a Herald is handed to subscribers; collections are taken for the Red Cross and other deserving charities; tickets for games in respective sports are being sold; the responsibility of handling money is involved.

Although these duties are fulfilled without any credit, only competent individuals may be elected for taking care of them. Therefore, due respect is felt for all the division delegates, who, under the guidance of Mr. Hawkins, gladly serve the school to the best of their ability.

DIVISION 348

A new division has been added to Harrison recently. This Junior division is under the supervision of Mr. Kaplan.

Division 348, now occupying Room 106, is made up of pupils from Harrison's branch, Jungman. Other students in 348 hail from Holden, a branch of Englewood.

Since we are a new division our social activities are few, but we intend to change this in the future. Those activities which we do participate in are, Orchestra, R. O. T. C., Choir, and G. A. A,

As yet a class president has not been elected, but our acting delegate is the one and only Art "Brush" Lange. Our G. A. A.delegates are Dolores Partekel and Beverly Amato.

This class, if we guess right, should prove very promising.

Welcome to Harrison, Division 348!

Minstrel Show

A highly-successful and hilarious Minstrel Show, under the inspiration and capable direction of Miss Alice M. McGregor, was presented in Harrison's Auditorium on October 30, 1945.

DIVISION A. N. A.

This is division ANA and part of the future graduating class of January, 1947. Our division delegate is Lorraine Holtzman; G. A. A. delegate is La Vergne Meloun; Red Cross delegate, Gertrude Grow.

We are under the guidance of our division teacher Miss Jeanette La Giglia, and participate in many activities. We are represented in the Choir, Band, R. O. T. C., Red Cross, and we are proud to claim the pianist for the Boys' Chorus and Choir, Anita Rutsky. Lorraine Holtzman and Lorraine Sladek are the captains of the division's two bowling teams, and La Vergne Mudra, Gertrude Grow, Lorraine Holtzman and Aura Morton are in the "National Honor Society." We also have some boys from Mr. Boyer's Club, "Pop's Boys." Phyllis Dreebin was the first person in the division to get an "H".

We hope to make Division ANA one of the outstanding Senior Divisions at Harrison High School.

DIVISION W. S. B.

Division W. S. B. has a reputation for being one of the best divisions in Harrison. As far as scholastic and athletic activities are concerned, our division is well represented. Included in our group are a number of girls who came from Jungman in September.

Every student in our division is a participant in some activity; such as, Track, Wrestling, A Cappella Choir, Boys' Chorus, Gymnastics, Herald Staff, Honor Society, Basketball, Football, Baseball, "H" Club, R. O. T. C., G. A. A., and the Swimming Team.

Being Seniors next semester, we hope to fulfill our aim since our Freshman year—to graduate with high honors.

DIVISION 106

When the 1946 Harrisonian appears, it will signal the happy thought that soon school will be adjourned for the summer. However, those in division 106 will sadly realize that it will be their last vacation as high school students, for they will return as 4A's in September.

To the original nucleus of twenty-five members of 254 were later welcomed Manleyites and pupils of Division 214, 228, and 317. The group has been known also as 120, and is now a happy, co-operative division with Miss Page as helpful sponsor.

106 has nine representatives in the Honor Society, eleven on the Herald Staff, four in the R. O. T. C., numerous athletes, three first stand players in the Orchestra, five in the A Cappella Choir, two on the Harrisonian Staff, and one Social Laboratory Hostess.

The division Football Team won the Junior Intramural Championship. An all-out drive resulted in the winning of third place in a paper drive contest.

DIVISION 220

After three strenuous years of work under the capable leadership of Mr. Twining, we of 220 have become Seniors.

Our scholastic record is better than average and our participation in extra-curricular activities is outstanding.

In the field of sports we are represented on the Gymnastic, Track, Football, and Basketball Teams. On the latter we have the able Ralph Napolitano, Captain of the Juniors, who, with a few other students, came from Division 228 when it broke up.

In other fields we are represented in the R. O. T. C., the Band, Orchestra, the Choir, two students are on the Herald Staff and one is on the Harrisonian.

Combine these and you come out with a group of the grandest boys and girls any division can have. Mr. Twining has reason to be proud of Division 220.

DIVISION 314

Gaze, fellow Harrisonites. Here you see the finest group of boys and girls ever assembled in one division room.

Of course, we do not wish to appear boastful, but we're scholastic-minded as well, having a large Honor Society representation. We are athletic, also, having members on the various athletic teams and in the R. O. T. C.

If our luck, and Mrs. Ward's perseverance, hold out, we will one day arrive at that acme of success, Seniors.

DIVISION 331

In 1943 we were just another division of bewildered Freshmen, strangers to each other. We have now reached our 4B semester, and have worked hard to make our division tops in the minds of our fellow schoolmates. In our efforts to achieve this goal, Mrs. Minor, our division teacher, has been very helpful.

The division gives loads of credit to Jean Baldi for her excellent work in the paper drive, bringing 331 up to first place. Also, Elizabeth Maxwell, our division delegate who has taken care of the tickets for all activities.

Members of our division are well represented in activities, such as, the Band, Orchestra, Boys' Chorus, R. O. T. C., and Football.

DIVISION L. R. 6

Division L.R.6, formerly 116 under the guidance of Mr. Hansen, regrets leaving Mr. Hansen, but at the same time appreciates its new teacher, Mr. Sigalos.

We, as a Junior division, have been working together to the best of our ability to maintain Harrison's high standards in our group. The girls are the Volley Ball Champs of Harrison and the boys are now taking a great deal of interest in the various activities Harrison has to offer.

Most important of all, however, we as students of L.R. 6, have contributed to the various funds, participated in the collection of paper, and rendered our services where they were needed most.

We hope to achieve greater renown as one of the best divisions of H.T.H.S.

DIVISION 214

Three down and one to go as Hale's Halo's beam through another year leaving behind a trail of shining glory.

These enthusiastic youngsters of Division 214, who appeared in last year's Harrisonian under the banner of 328, have risen to new heights of glory under the leadership of Mrs. Hale.

In practically every organization in the school including the Honor Roll, which has already claimed ten of the Halo's, 214 is well represented. In the athletic fields we find Frank Bik on the Basketball Team, and Fred Stark who broke the City's low hurdle record to become city champ.

In the R. O. T. C. Richard Kujawa, the youngest officer, is continuing his rapid advancement while several other Halo's are non-commissioned officers.

These are only a few of the Halo's who have gained high positions, for space does not permit the acknowledging of others.

DIVISION 251

We of Division 251 feel proud indeed to be represented in almost every activity at Harrison. We consider it an honor having three girls in our division who have received H's for cheerleading. They are Loretta Zielinski, Irene Bonk, and Georgia Brown. We also boast of our Football men: Tony Savone, Art Montgomery, Ray Gawelczyk, and Wyatt Somrek. The various other activities in which we participated are as follows: Red Cross, Track, Hall Guards, Choir, Boys' Chorus, Band, Orchestra, Volley Ball, Wrestling, Bowling, and Gymnastics.

A very fine spirit exists between us and Mrs. Patton, our division teacher, who is doing all that she can to help us on the road to success.

If there's an activity at Harrison, we are in it and support it 100%.

DIVISION 255

The sixteen girls and boys of the 3A Division 255, have become known as the go-getters during their stay thus far at Harrison.

Under the able and earnest leadership of our division teacher Mrs. MacMillan, we students of 255 have freely participated in the various organizations and activities found at Harrison.

We have also supported all national and local campaigns for worthy objectives. We are represented in Choral Groups, Concert Band, Intramural Tournaments, Junior Basketball, Hall Guards, G. A. A., Advanced Art, Red Cross work, and we have several candidates eligible for the Honor Society.

We are proud of this fine record and we are determined to keep up the good work and thus maintain for our division a place in the leadership of activities.

DIVISION 311

Although eighteen of the original members of our division have left, or were changed, the twenty-two remaining, with the addition of replacements from Jungman, are striving to make our division one of the best in the school.

As an active division, Football, Basketball, Band, Orchestra, P. A. System Workers, R. O. T. C., and Office Helpers are well represented. As usual, the girls are one hundred percent G. A. A., and their Bowling Team, the newest activity, is doing quite well.

With one year left of our joyous career at Harrison Tech, we hope that with the wonderful assistance and guidance we are receiving from our division teacher, Miss Guinane, we may remain one of the best groups at Harrison.

DIVISION 315

Here is division 315—a group of thirty-two Juniors with Miss Mc Gregor capably directing. We have been together for three memorable years and have found a lively interest in extra-curricular work with representatives in Choir, Band, Boys' Chorus, Library, and Office Helpers, Social Laboratory, R. O. T. C., Orchestra, and the various athletic teams. We have just one more year ahead of us at Harrison and we hope to continue to develop individuality, initiative, and co-operation. We are going to make our final attempt to fulfill the dreams and desires of our principal, division teacher, and our parents to make us loyal Harrisonites, loyal citizens, and loyal to God and Country.

DIVISION 326

OFFICERS

PRESIDENT, John Mikolajczyk TREASURER, Harriet Finkelstein

SECRETARY, Marie Farrar

Division 326 is composed of thirty-six 3B students. They are represented in all scholastic departments of the school, and a number of them are rated as "S" or "E" students. These students are: Geraldine Bonat, Marie Farrar, Henry Motsch, Walter Fickenworth, Irene Stunard, LaVerne Fris, and Lillian Piatek. Other members—Ted Kaleciak, Shirley Glaser, Dolores Bartolozzi, and Irving Schulman—have an average of "G" or better.

The members of this division support and participate in extra-curricular activities of the school such as assisting in the Social Laboratory, or in the Library or Main Office. Henry Motsch is serving with the Public Address group and hopes to become a moving picture operator.

Bill Halowi and Irving Schulman have received honorary "H's" in Basketball and Track Team, and Bill is also a trusted lieutenant in the Hall Guard group. John Bajak recently was promoted to the rank of Corporal in the R. O. T. C.

A delightful Christmas party, which was ably arranged by Harriet Finkelstein, Eleanor Salerno, and Victor Doman, was given in Room 326 before the holidays.

This group of students is under the guidance of Miss Jessie E. Steele.

DIVISION 332

Division 332, under the guidance of Mr. Lejeck, who has been our sponsor for the past five semesters, has tried to maintain the high standards of Harrison.

Our division is an active one; many of our men are represented on the Football, Swimming, Basketball, and Bowling Teams. They are not only athletic but scholastic in their interests. The Harrison Herald is also represented in this division. Our fairhaired young ladies are always active in the G. A. A. and in social events. The Bowling Team which bears the name "Lejeck's Loonies," is undefeated.

Musically inclined artists support the Band, Orchestra and the Choir.

Our division has been outstanding for the past five semesters, and we hope it will be the same for the next three.

DIVISION 335

Division 335 is a lively group of 3B boys and girls under the leadership of Mr. Almlof. Their school interests are many and diversified: Concert Orchestra, Band, Boys' Chorus, Choir, Football, Basketball and R. O. T. C. They also render services in the Main Office, Attendance Office, Library, and Hall Guards.

In spite of our struggles with such subjects as physics, shorthand and advanced algebra, we still have some S and E students, thus making a good many of our class eligible for the Honor Society next semester.

All the students of this division have extremely high hopes for the coming semester and hope that in the near future Harrison High will be as proud of them as they are of their school.

DIVISION 339

See 339 and observe progress. Although modern, we live up to the good old traditions that Harrison has upheld for so many illustrious years.

Looking through our records one will observe that we are well represented in the Hall Guards, Swimming Team, Attendance Helpers, Band, Library Staff, and even in the Armed Forces, with Pvt. John Pason stationed in Washington.

With the continued assistance of our division sponsor, Mrs. Worrell, we of 339 propose to co-operate in all group and school activities which concern the welfare of our school.

DIVISION 341

Peek into 341, way down in the one way corridor and you"ll see us fellas and gals perpetually resolving, amending and discussing some very timely topic. We're like that, and now since we've reached our third year at Carter H., we're even more effervescent about our duties and activities than ever before.

Who is the person behind all this? Why, Miss Gannon, our grand division teacher, who really is an excellent co-ordinator.

Division 341 is represented in practically all the school activities; we're scholastically efficient and sports minded as well as cooperative in school drives

Recently we've organized a Division Club and the elected officers were Angeline Grillo, President; Eleanor Marecek, Vice-President; Donald Hallman, Treasurer; Laverne Roach, Secretary.

So there you have it—who's who and what's what in 341—way down in the one way corridor.

DIVISION 346

The members of this fine division entered Harrison in September, 1945, and have become well seasoned, loyal supporters of Harrison High. We are represented in the Honor Society, Band, Orchestra, athletic organizations, Office Helpers, Cheerleaders, Herald assistants and the R. O. T. C.

We are proud of the achievements of our outstanding students. Katherine Lau, Gloria Nicewick, and Adam Gagala excel in scholarship; Frank Zupancic has attained no little fame in music with his playing and leadership; Jerome Broede has attracted attention for his skill in swimming; Lucille Grochowski is known for her scholarship and as a cheerleader.

We shall expect more good reports about our division in the coming years. The light of glory is about to shine upon us.

DIVISION 316

SPRING

This group of Juniors from Division 316 are proud of their high scholastic record and their participation in the many school activities at Harrison.

The members of this division are active in the G. A. A., some are Library Helpers, others work in the Attendance Office and there are two Band members, Marilyn Wallenberg and Harold Hajek.

Proof of their scholastic ability is the fact that eight members are in the Honor Society.

Division 316 was formerly under the direction of Miss Eva Cappetta, and Mrs. Margaret McGarr, (pictured below). Now under the capable guidance of Mrs. Hanore Whalen, they are determined to uphold their high standards by working diligently and cooperating to the fullest extent.

Gold or Silver may vanish away,
But our Friendship and Memories of Harrison
Shall never decay.

★ ★ ★

The Amity Circle is truly a circle of friendship, as the title suggests. It began early in their Freshman year and has grown stronger as years drifted by.

This outstanding group of 4A girls, under the capable sponsorship of Miss Cappetta, has participated in all class and school activities. They are well-represented in all fields; Treble Chorus; A Cappella Choir; Advanced Art; Social Laboratory Council; G. A. A.; Finance, Social, Program; Song and Motto Committee; Second place Bowling Champs of June '45; 3A Class Council Secretary; Class Representatives; Student Helpers; Harrisonian Staff; Senior Play; Orchestra; Stamp and Bond Collectors; Delegates; Alternates; Hall Guards.

Our feeling of comradeship is so firmly established that it will undoubtedly continue long after the curtains of graduation are drawn.

DIVISION 118

Division 118, a Sophomore division which has been active in social and sporting events, has been enlarged by the addition of various members from a number of divisions, the largest group coming from 344

The entire division consists of active and progressive Harrisonites, who are members of the Football, Baseball, Basketball, and Gymnastic Teams; G. A. A., S. L. R. T., Band, Hall Guards, Student Helpers in the Gym, 109, and the Library. We also have two Bowling Teams and a Volley Ball Team.

We are grateful to our wonderful division teacher, Miss McHugh, who has been working with us to maintain the high standards of Harrison.

Division 118 is destined to mark a place in the history of Harrison.

DIVISION 217

We, the boys and girls of 217, are constantly striving to attain greater success in all of our scholastic and social activities. Under the guidance of our division teacher, Mrs. Twining, we hope to attain this success.

Among us there are several who have received commendation on scholastic work. Still others are working industriously to add their names to the Honor Roll.

A chief interest among the boys and girls alike is sports. The girls have formed Bowling and Volley Ball Teams and are members of the G. A. A. The boys excel in such well-known sports as: Gymnastics, Wrestling, Swimming, Track, and Touch Football.

All in all, this division is a group of energetic boys and girls who are proud of Harrison and who want Harrison to be just as proud of them.

DIVISION 224

Introducing a peppy group of Juniors who are raring to go and are really getting places.

In Intramural Sports, the boys take high honors in Baseball, Volley Ball, Football, and Basketball while the girls are tops in Bowling. We are also represented on the varsity of the Basketball and Track Teams.

The military mindedness of our boys accounts for the number of them in the R. O. T. C., and the present and future success of that organization.

Being all out for the finer things in life, we are well represented in the Orchestra, Band, and Choir.

The passing of the war still finds us contributing generously to all war reliefs as well as putting our savings into bonds and stamps.

"Tops" with each of us is our affable division teacher, Mr. Pletcher, to whom we are grateful for the patient and constructive guidance he has given us.

DIVISION 252

The misty and dusty atmosphere of a dark room aged with the passing of years slowly begins to brighten. The sun gradually cuts its way to a bookcase in the corner of the room.

The room begins to clear and there on the bookcase is a dusty covered book of memories. Yes, memories of old Harrison High. The pages flutter and the past lives again. Singing groups are heard. The Band and Orchestra are playing familiar tunes. The crack of a Baseball bat and the cheers for the Football and Basketball Teams are heard.

In all these activities—Honor Society, A Cappella, Band, Orchestra, R. O. T. C., Football, Baseball, Basketball, and Gymnastics—memory reveals that Division 252 took part.

The sponsor of our division is Miss Morris and the president is Bill Thoman.

A grand group of Juniors, we think.

DIVISION 342

To their great delight, Miss McGarr's cherubs have won their promotion; they may now call themselves, "Upper Classmen, Junior Grade." They are well represented in Harrison's activities: Football, John Kuchan; Baseball and Basketball, Jim Koukl; Track, fleet-footed John Korbinetz; Concert Band, Shirley Fuqua and Ted Johnson; Orchestra, Alice Jay. The girls are looking forward to winning a Volley Ball Championship.

Among those who have made the Honor Roll are Lila Cutler, Jo Accardo, Flo Singer, Flo Jamiolkowski, Pat Alsip, Bernice Babich, John Procuro and Ruben Blender.

Members of Division 342 feel that they owe much of their success to the guidance of Miss McGarr.

We, the members of Division 212, are glad to be able to say that we have already proved ourselves to be a valuable asset to the Harrison Technical High School. The Band, G. A. A. and R. O. T. C. are some of the organizations in which we have representatives Some of our members devote a great deal of their time as Student Helpers in various offices. We are under the guidance of Miss Gladys Nelson.

We are LR2! That alone is enough for the high place we hold in the eyes of Harrison. Much of the credit goes to Mrs. H. J. Fiske who has this semester taken the place of Miss Abbie Lukens.

In the future, under Mrs. Fiske's understanding and sympathetic guidance, as in the past, we shall "hit the top."

Division LR4 should receive special commendation, not only for its scholastic ability, but also for the excellent spirit that is applied toward the many activities at Harrison. This Sophomore division, comprised of fourteen boys and nineteen girls, has eleven of its members on the Honor Roll with an "E" or better average. Formerly under the direction of Miss Moriarty, Division L. R. 4 has as its present sponsor Mrs. Tobey Schein.

The likeable, cooperative, and ambitious students who comprise our division have passed another milestone on the road to success, taking our first year in stride, and stopping off at the Sophomore level for a year before continuing on. During the course of our exciting, eventful, and at times confusing first year in high school, the aid of Miss Brinkman has been invaluable, and we shall be ever grateful to her.

The Jacks and Jills of Division 253 have turned Sophomores and are still athletic-minded. The Jacks have made the Basketball, Football, and Swim Teams. The Jills reached the finals in their annual Intramural Volley Ball Tournament.

Scholastically, Division 253 holds the line with several students continuously on the Honor Roll. Others have perfect attendance records. We are inspired by our division teacher, Miss Marie H. Kelly.

Our division, under the supervision of Mrs. Vujanick and later Mr. Zindell, ranks with the many others in participation in social and scholastic activities.

We have organized our division into a club, titled the "L.R.I'ders," and with our chosen officers we have frequent meetings.

DIVISION 254

Here is your chance to get acquainted with a lively, active division. We have been in the capable hands of Mr. Phipps and Miss Mary A. Coppinger, who have been succeeded by Mrs. Margaret Kent and Miss Helen O'Day. We wish to take this opportunity to thank them for the able guidance they have given us.

Among our group are representatives of the R. O. T. C., seven in all; the Student Leaders Round Table, two in number; and, as six are eligible, we hope to be able to say sometime in the future, Honor Society. Though busy we find time for participation in sports having played in various intramural contests. Our division also boasts two Bowling Teams and two Drum Majorettes.

DIVISION 262

What's all the excitement about in Division 262? Could it be the following headline—

LIBBY BRODSKY BUYS $4,600 WORTH OF BONDS

Yes, that's our Libby, and besides having her pictures taken for magazines and newspapers and seeing premiers of movies, Libby, still maintains an "S" average in scholarship.

Our Division is also represented in many of the school's activities—Edward Svoboda and Ray Kolar are R. O. T. C. members; Bill Zavis is on the undefeated Junior Basketball Team; William Bauer, in the Boys' Chorus; Libby Brodsky, in the Orchestra; and Joe Premazon and Edward Zbylut, in the Band.

School, work and play rate tops with us. We can take it any time and any way. If anyone should mention Division 262, you'll know it's run by our division teacher, Miss Johnson, whose guidance has helped to make ours a wonderful division.

DIVISION 302

The members of our division entered Harrison in September of 1944, as wide-eyed bewildered Freshmen. Since then we have all advanced mentally and physically and are well represented in the various school organizations.

Our fourteen boys are well represented in the Boys' Chorus, R. O. T. C., Track, Football, Wrestling, and Hall Guards. They have also taken second year championship in Softball and first year championship in Volley Ball.

Our girls, who number seventeen, participate in the Orchestra, A Cappella Choir, Student Helpers, Band, Hall Guards, and Volley Ball.

Not only are we well represented in social and athletic events but also have a good scholastic standing on the Honor Roll.

We note with regret the retirement of Mrs. Gonnerman, our division teacher, who is leaving us after many faithful years of service. Best wishes.

DIVISION 306

Division 306 has thirty-two girls and boys who are in their 2A year, each of whom has helped to make our division outstanding in everything from scholastic standing to activities.

The boys of our division are represented in Basketball, Football, Band and R. O. T. C. Not to be outdone by the boys, the girls are actively engaged in the Social Laboratory, Red Cross, Student Helpers, Volley Ball Teams, and G.A.A.

Several of this group will probably be eligible for the Honor Society in their 3B semester as we are continually striving for high standards.

We owe much to the wonderful guidance of our division teacher, Mrs. Katherine Williams.

DIVISION 316

FALL

Division 316 is composed of a group of hard-working Sophomores. We are represented by members of our class in the Band, R. O. T. C., Boys' Chorus, and Honor Roll. Our room has earnestly participated in all paper drives, bond drives, and all the other school efforts that have taken place the past semester. We have been together ever since we entered Harrison, and we hope we will leave the same way.

Since entering Harrison, cur division has been transferred a number of times, but our present division teacher, Mr. Hamilton, feels, as our former teachers do, that our division is among the finest they have ever had.

DIVISION 333

Thirty-seven Sophomores make up our lively Division 333. With the helpful assistance of our division teacher, Mr. Krupar, we have made great progress and intend to make more.

Every boy and girl in this division is interested and takes part in as many activities as they can. D. Keenan, our division delegate, is on the Swimming Team. While Ed. Walinski and T. Stack are on the Bowling Team.

Other organizations represented are: Girls' Bowling, R. O. T. C., and the Band. Of course, every girl belongs to the G. A. A. and joins in all their activities.

We have taken part in the paper drives, Red Cross projects, Soap Drive, Food Drive and we purchase Victory Stamps weekly. Besides participating in these, we have the ability to keep up our marks.

If ever you are in the one-way corridor stop in and see the Honor Roll of Division 333. It will be worthwhile.

Composed of thirty-three Sophomore students, Division 258 operates under the capable sponsorship of Mr. Beyler.

The students, eager to participate in the school spirit, have joined such organizations as Orchestra, Band, Chorus, R. O. T. C., G. A. A., Hall Guards, and Swimming Team.

With five students on the Honor Roll we aim to improve our record.

We are Sophomores now, and out of the forty-one original students in the division, twenty-nine members remain, eager and able to bring honors to their division and to Harrison. We are represented in the C. A. P., R. O. T. C., Choir, Boys' Chorus, Band, G A. A., and the Honor Roll.

Serving as division delegate is Roy Gnatz. Division L. R. 5 is now under the capable leadership of Mr. Morris.

Room 337! Ah, what magical numbers! The "open sesame" to a treasure trove of ambitious, studious, and athletic individuals intent upon success, as witnessed by our motto, "To Progress and To Serve."

The securing of positions on the honor roll during our undergraduate years and the future joining of the Honor Society are the chief goals toward which we have devoted our main efforts.

We are under the able supervision of Miss Rae L. Horning.

"Buzz, buzz," and more "buzz" means plenty of activity in 219, the "eager beaver" group.

You can always count on Division 219 to participate in all the events and drives at Harrison High. We are 100% in all school projects.

We attribute this Division's willingness and co-operation to the helpful guidance of Miss Mae L. Cunningham.

DIVISION 327

In September, 1945, Division 327 had twenty-two boys and fifteen girls from many contributing schools. The number has decreased to thirty-two for various reasons. Most of the number lost were transferred to other schools. This freshman division is a group of "live-wires." They participate in all activities of the school and are eager and anxious to be 100% in every project that Harrison undertakes.

We are well represented on the school's Honor Roll. Division 327 is represented in: G. A. A., Track, R. O. T. C., Band, Bowling, Hall Guard, Orchestra, and Art. Through the inspiration of our division teacher we have many plans as students of Harrison, to attain high scholastic ratings in all classes, to have perfect attendance, good citizenship, and outstanding Basketball, Track, and Football players. We still have many improvements to make and achievements to attain but our motto is "Ever Upward." Mrs. Ruth Fitzhugh is in charge of Division 327.

DIVISION 340

Division 340 is, and has been, an up and coming division. The boys of our division have organized Baseball, Football, and Basketball Teams, while the girls have organized a Bowling Team and are doing very well as members of the G. A. A. and Choir. Two of our boys are on the regular Track and Basketball Teams, and also, three students are members of Harrison's well-known Band.

Miss Helen Bresee, our division teacher, has been doing everything to help us along, and we hope to have her in the future semesters.

In the years to come we wish to make the school proud of us by becoming top students. We know that by working hard, we will be able to reach the goal for which we are striving.

DIVISION 320

After a Pep Assembly in Harrison's own Morse Hall, a surprising thing happened. In appreciation of the benefits given by the school, the members of Division 320 pledged themselves, in a formal statement to the Principal, to be loyal supporters of their high school. These were not idle words, for they have worked diligently and untiringly to keep their promise.

If attendance were taken at Harrison's numerous clubs, social functions, athletic events, and the like, Division 320 would answer "Present" almost every time; for this group is active in many ways.

SCHOLARSHIP: The Honor Roll claims a high percentage of the class. In fact, as 1B's this class had more members on the Honor Roll than any other "Freshie" division.

MUSIC: Again, Division 320 holds membership in such musical organizations as the Band, Orchestra, Boys' Chorus, and A Cappella Choir.

ATHLETICS: Football, Swimming, and Track Teams find members of this group holding vital places. In addition, the Girls' Bowling Team took first place in the school tournament.

May this fine record continue!

Room 309 is very glad to have their division teacher, Mr. James Sazama, back from sabbatical leave.

The division boasts of five people who are eligible for the Honor Roll. Six boys are active in the R. O. T. C. and the girls are enrolled in such activities as Hall Guards and G. A. A. Several pupils help in the Registration Office.

We, members of Division 328, are very proud of our group, as participants in the drives, activities, and assemblies of Harrison, with Miss Cooke as sponsor and James Suma as delegate. The boys take part in activities such as intramural Football and Volley Ball; some are in the Boys' Chorus. The girls are active members of the G. A. A. and both are well represented on the Honor Roll.

Division 328 is enthusiastic and co-operative in all of the active organizations of its school and hopes to continue and even increase its Harrison Spirit.

104
DIVISION
121

The Freshman division of 104 is really a great group, consisting of thirty-three members.

Our boys have organized a Basketball Team and have already defeated a number of other freshman teams. Our girls are active in G. A. A. activities, Hall Guard, and serve in the Attendance Office. We are also represented in the A Cappella Choir, Band, Basketball and Football Teams.

Our division teacher, Mr. Bell, a former Naval lieutenant, is not only proud of us because of our high scholastic rating, but also for our unselfish attitude in contributing to all charity drives at Harrison.

Opportunity knocked, and Division 121 invited him in. We inspected his wares, consulted Mrs. Hunter and immediately took advantage of his offers. Our boys and girls joined the A Cappella Choir, Boys' Chorus, R. O. T. C., S.L.R.T., Band, Orchestra; organized a Volley Ball Team, Bowling Team, and also helped in with duties in the office and Gym.

His suggestions of organizations led to the election of Wayne Kruk, President; Bill Beagle, Vice-President; Dolores Waitkus, Secretary; and Doris Afric, Treasurer.

DIVISION 206

Division 206—the new generation of Merrimacs—have lost no time in becoming full fledged Harrison enthusiasts. They are always well represented in the cheering section at all varsity football games and you would be amazed at the wonderful Christmas party and tree they organized on December 21st, 1945.

Already as 1A's three boys are trying out for the 1946 Football Squad. They are entering teams in all boys' and girls' intramural events. They were runners up in the Freshman Basketball Competition and are hoping to place near the top in boys' Volley Ball. Mr. John H. Mc Clellan is in charge of 206.

DIVISION 228

Harrison, open your gate,

We are the Freshies of 228.

Yes, we are two-twenty-eight, formerly of one-sixty-one. Under the supervision of Mr. Roberts, we have started to make a name for ourselves. There are three girls from our division who are on the Honor Roll. They are: Vlasta Linhart, Joyce Mitchell, and Ella Mae Wyckoff. We also have a Football Team, Bowling Team, girls working in 109, three girls as student helpers in 254, and two boys as Hall Guards.

Although we have been in school for only a few months, we are already working and we shall succeed because we are under the guidance of a grand division teacher.

DIVISION 260

We of Division 260 are the proud participants of every activity available to Freshmen.

The girls, as Student Helpers, Hall Guards, and members of the G. A. A., and Red Cross, have helped to further the success of our division. Alicia Uribarri was the representative of the Red Cross at the Spanish tea.

We're very proud of the boys for their Basketball Team has won three out of four games, and we're looking towards even better success in the future. We are represented on the varsity Football Team by Ed Sczepkowski; in addition, several of the boys are in R. O. T. C. and many are Hall Guards.

We are all looking forward to being Seniors, and if we keep pitching we shall achieve this goal and thus fulfill our years at Harrison in the same spirit as we have begun.

DIVISION 260

SPRING

WINIFRED S. PERRY

The members of this 1B Division have prospered greatly both in experience and knowledge, since their first "green days" at Harrison.

We regretted losing such fine division teachers as Miss Jeanette Courtney and Miss Rose Marie De Meo. However, we now have as our permanent mentor, Mrs. Winifred Perry, who has returned to us after an absence of one year. She left Harrison to join her husband who recently returned from overseas. It is Mrs. Perry's wish to be the best of friends with the students of her newly-acquired division, and we intend to strive to help her wish come true.

We have elected our G. A. A. Representative, Joan Harmening, and her Alternate, Lorraine Preucil.

Laura Teglia is our Student Council Delegate and the assistant is Bruno Zei.

George Demchuck, Joan Harmening, Laura Teglia, and Bruno Zei are the Honor Roll Students from our division for the first five weeks.

Keep up the good work, "chiluns," and we shall make Harrison proud of us.

DIVISION 334

In the golden autumn of '45, a season brightened by the thrill of victory over the land, this Freshman division, with representatives from several public and parochial schools in the Harrison district, began its career in the happiest of many years.

With fine spirit and enthusiastic co-operation the students of 334 entered into their new school world, a world of varied and more difficult subjects, of Football and assemblies, and of patriotic drives.

Through their first memorable semester this group was led by the following excellent officers: President, Josephine Kluk; Vice-President, Ralph Seidel; Secretary, Harold Spitzer; and Treasurer, Edmund Glaz. For the spring term Division 334 selected equally fine leaders: Florence Pason, President; Melvin Kaspar, Vice-President; Shirley Winter, Secretary; and June Schultz, Treasurer.

We hope by constant effort, spirit, and loyalty, to be worthy of all the opportunities of peace-time Harrison. Miss Catherine Mahoney is our division teacher.

DIVISION 343

"Freshmen!" That's what we're called, now. However, under the capable guidance of our sponsor, Miss Hoffman, we know that our first semester at Harrison will soon be left far behind us.

Our division has been participating in the general activities here at Harrison. We have thirteen of our male members in the ranks of the R. O. T. C., while the G. A. A., Band, and Movie Operators claim the majority of the remaining 343 divisionites.

In order to have our division properly represented we have chosen Martin McGrath as Room Delegate; Connie Kaplan, Alternate; and Milton Bartosik as Victory Stamp Collector.

The 343 Honor Roll includes three of our active members: Martin McGrath, Daniel Nelipovich, and Carol Subert.

In the near future we hope to become one of Harrison's leading, if not top, divisions, both scholastically and socially.

DIVISION 229

On Tuesday, September 14, 1945, we, a group of forty-one shining, brand-new, ambitious Freshmen, were introduced to the interesting and intricate system of the institute of higher learning known as Harrison High School.

Upon being greeted by Mr. MacGowan and receiving our instructions we were escorted by our division teacher, Miss Gilda Robley to our new four year homeroom-229.

We immediately organized our class and held an election of officers, the results of which put into office Kenneth Schabow as President, Joan Von Rink as Secretary, LaVerne Minerik as Treasurer and Division Delegate, and Janice Folbo as G. A. A. Delegate.

With the desire for learning in our blood and ambition in our soul, and with success as our goal, we intend to make our mark at Harrison.

In September, '45, we, as thirty-six wide-eyed Freshmen, entered the hallowed halls of Harrison. Since then, among other accomplishments we have won the Football Division Championship, and have taken second place in Basketball. We are represented in the R. O. T. C., Football, and Wrestling Teams on the part of the boys, and the girls are members of the G. A. A. and Chorus.

Jeanette Kutchik leads in scholarship, followed by Dan Grimsich, Daniel Martell, and Aldo Marchetti. The division officers are: Chairman, Shirley Rossow; Secretary, Ruth Felgenbauer; Delegates, LaVerne Raschke and June Phillips; Herald, Rita Cyzan; Treasurer, Antoinette Jablonski; Stamps, Virginia Del Medico; G. A. A., Lottie Cichon; and Historians, George and Milton Cohen. Mrs. Esther H. Jacobson is the sponsor of Division 162.

With girls and boys majoring in commercial, general, and technical courses, Division 329 is bound to go sky high in progress. Though we are only 1B's, we have able representatives in the athletic and musical departments, which is a showing of a grand start. These active participants have already busily engaged themselves in the intramural program of Harrison High.

Academically our honor roll students are upholding high standards and are examples to our average members. Our division sponsor is Mrs. Belle R. Badgley.

School spirit leads to success, and Division 256 has plenty of it. Although we have just entered H. T. H. S., already members of the class are represented in the Honor Roll, A Cappella Choir, Band and R. O. T. C.

Under the leadership of Philip Deutchman, delegate, Marton Lebovitz, alternate, and the guidance of Mrs. Silva M. Wood, we have aided the war effort by buying bonds, and bringing in waste paper.

However, keeping in mind our past efforts, we are looking forward to even greater achievements in the future.

This group of Freshmen entered Harrison in the fall semester of 1945, and in the spring semester of 1946, six more were transfered to Division 213 from Division 260. They were graduated from various grammar schools including Howland, St. Casimir's, McCormick, and Whittier.

Division 213 has participated in the many activities at Harrison such as the Band, Orchestra, R. O. T. C., Hall Guard, and Office Helpers. Their Honor Roll members are Edward Chan and Alfred Ishida.

Under the helpful guidance of Miss Elsa Koeber, their division teacher, they hope to win recognition in the semesters to come.

Room 305 is a Freshman division consisting of eleven girls and twenty-three boys. Mr. Duda, our division teacher, feels justly proud of our achievements in the R. O. T. C., paper collections, and other active organizations at Harrison.

We entered Harrison on September 14, 1945, and after a long wait in Morse Hall we were assigned to Mr. Duda's division, a teacher who we feel is most considerate and courteous.

After the first few hectic weeks, we at last settled down to the regular duties of school. Raymond Saunders, the youngest boy in our division, won the Freshman R. O. T. C. medal.

We, the Freshman class of Division 300, think we rank among the best at Harrison.

We came from several grammar schools—Howland, Chalmers, St. Pius, St. Mary's, Pope, and Bryant. We are represented in the Band and Orchestra, Hall Guards, and Gymnasium and Library Helpers, Football and Bowling, as the girls have organized their own Bowling Team. Division 300 buys Victory Stamps and Bonds regularly and we are all subscribers to the Herald.

Our popular division teacher, Mr. Rahn, by his friendly interest in us, and his loyalty to the school, is an inspiration to us all to remain among the best. Our motto is, "Let's Make Harrison Proud of Us." We are proud of Harrison.

We are off to a grand start. Division 310, consisting of thirty-eight 1B's has already many on the honor roll and the number is growing rapidly. If we keep going at the present rate of progress, we will be the pride and glory of the 4A's of 1949.

We are also active in the school activities such as Hall Guard, Student Helper, Library Helper, and R. O. T. C. Our Volley Ball Team is something to be proud of too.

With the help and guidance of Mrs. M. Sevick, our grand division teacher, the next four years will be the greatest ones.

Ready, willing and able, that's Division 308, a Freshmen group consisting of thirty-six members. We have come from twenty-one different elementary schools, and are now grouped together under the supervision of our wonderful division teacher, Mrs. Kolarits.

We unanimously elected Henry Kowal to be our division representative. Betty Pelzer and Marie Rinaldo represent the girls in our division for G. A. A. activities.

There are several of us in the Band, Orchestra, and R. O. T. C., and we have given hearty support to the Red Cross, War Drives and other school affairs.

Division 322 is a fine group of Freshmen and we are off to a wonderful start. Even though our class is made up of young boys and girls from many different grammar schools we find ourselves getting along wonderfully well in our scholastic and athletic work.

Five girls have already joined the Band, while two boys and five girls represent us on the Bowling Team. The Attendance Office also has the efficient help of two girls.

In all this we are thankful for the guiding hand of Mr. Main.

Our 1B Division, consisting of thirty-eight pupils—twenty-three boys, fifteen girls—is composed of pupils from twenty-two grammar schools.

Mrs. Beatty, teacher of stenography and typewriting, returned in September 1945 from a year's leave of absence.

We are trying to participate in the activities in and around Harrison. Already a few of our members are in the Concert Band and the Orchestra. Several boys have made athletic teams. There are a number of talented students, some of whom figure skate, sing, dance, do acrobatics, and play musical instruments.

Our division hopes to equal, or better, many others in scholastic achievement.

DIVISION 152

Graduates of eighteen public and parochial schools began their Freshman year in Division 152 in September 1945. Under the guidance of their division teacher, Mrs. Thrane, they have participated in school activities and have shown enthusiasm in their class work.

Danny Leonchuk has served as division room delegate and Kathryn Camlott as alternate. Stamp delegate, Louise Marganelli, has kept a record of defense stamp sales and has topped the list herself. Jean Stasiak and Richard Seibert held second and third places respectively, on the honor roll for stamp sales.

The girls have taken an active interest in sports; Geraldine Glancy has been captain of the Bowling Team and the members are: Kathryn Camlott, Jean Stasiak, Joan Reilly, Theresa Gegic, and Ann Mojica.

Theresa Gegic was captain of the Volley Ball Team, members were: Florence Carcione, Carmella La Monica, Luisa De Luca, Mary Bozzelli, Faith Pappas, Felicia Santelli, Louise Marganelli, Carole Barron, and Anna May Celler.

On the Track Team was Gerald Flowers; Danny Leonchuk was a member of R. O. T. C.

Theresa Gegic and Joan Reilly were neither absent nor tardy during their 1B semester.

In the Welfare Fund collection and in Herald sales Division 152 was 100%. The 35 boys and girls in the division can be proud of their fine record.

DIVISION 257

A 1B division having yet to adjust ourselves to the intricacies and mysteries of high school life, we have proceeded in the usual Freshman manner of stumbling around in a maze until shown our faults and corrected.

In between spills and tumbles, however, we have advanced much in the extra-curricular activities offered, having members represent us in Intramural sports, the Band, R. O. T. C., Orchestra, and G. A. A.

Among the more outstanding brain-children of our easy going, likeable, and ambitious group are our Division delegate, Geraldine Vonesh, our G. A. A. delegate, Marylyn Kob, and her alternate, Carole Majcher.

While trying to keep up with a fast-moving world of new faces, new teachers and classes, and difficult studies, we have managed to maintain a fairly high scholastic average and with an eye to the future, are planning to increase the Honor Society by several tens of members. Mr. Jefferson W. Crane is in charge of our division.

259 DIVISION 116

Two years ago the present members of Division 259 arrived at Harrison. During the time we have been here we have been under the capable and faithful guidance of our division teacher, Miss Eleanor Burgess.

As Juniors we have taken our places in the various physical and character-building organizations: A Cappella Choir, Reserve Officers Training Corps, Harrisonian Staff, Band, Track, Football, Wrestling, S. L. R. T., Attendance Office, Girl and Boy Tournaments.

Henry Marcheschi, President of the A Cappella Choir; Henry Mitchell, Band; and John Mlade, Division Delegate, are but a few of the active 259'ers.

Division 116 has thirty-eight intelligent and ambitious pupils. With the help of Mr. Hansen, our division teacher, we will be the outstanding division in the 1949 graduation class.

We have a number of boys in the R. O. T. C. and many more planning to join. The girls are planning to have a Volley Ball Team as soon as possible. Few of the pupils of our division are in the Band and in the A Cappella Choir.

By next semester we plan to be in many more activities of Harrison High School.

Row 1: P. Egan, B. Maceikis, E. Awad, M. Dragich, S. Lashinsky, M. A. Mulford, A. Petruzzi, A. Joza.

We are a group of thirty-nine Freshmen that came to Mrs. Skidmore in 125 to take the place of the well-known "Skylarks" who graduated in January. The first day she took one look at us and said, "I can see you are a fine group, that will do things and go places." She immediately named us the "Skyrockets." The officers for the 1B semester are: Pilot, Robert Plucienik; Co-Pilot, Christine Burnett; Navigator, Lorraine Desen; Purser, Robert Walczak.

Our "Skyrocket" motto is to be Dependable, Courteous, and Accurate. Watch us, for we intend to aim high and achieve success in life with the help and guidance of our division teacher, Mrs. Florence T. Skidmore.

In January, 1946, we, the thirty-eight pupils of Division 123, entered Harrison with high ambitions to succeed in our new venture.

Our greatest pride is the enthusiasm of the class in all subjects. Under the able supervision of Miss Cobb and delegate Ronald Uzek we have participated in many scholastic and social activities.

The class alternate, Antoinette Petruzzi, and the G. A. A. Delegate, Betty Maceikis, have represented their causes with true vigor.

The Hostess Club, consisting of a selected group of young ladies from the Home Economics Department, was organized for the purpose of receiving and serving lunch to guests coming to Harrison to visit the Household Arts Department.

The girls chosen are well trained in the proper procedure of table serving. They wear attractive aprons, and their gay boleros add a touch of color to the lovely costumes which are made by the sewing classes.

In the future, this enthusiastic club plans to act as a social club and serve teas.

Pupils representing several public and parochial schools in the Harrison district make up the enthusiastic 1B Divisicn 120. These thirty-nine new Harrisonites are under the supervision of Miss L. H. Sullivan, who ably helps them through all difficulties.

Besides being on the Honor Roll they have successfully taken part in the G. A. A., Intramural Volley Ball, Band, Red Cross, Swimming, and have given all possible co-operation in the various school drives.

HARRISON R. O. T. C.

The goal toward which every R. O. T. C. unit works is success in the annual Federal Inspection given by Army Officers. Harrison's battalion has been working diligently the past two semesters under the leadership of capable cadet officers in order to equal its city championship of last semester.

Constant drill and theory practice in such subjects as close and extended order drill, technique of rifle fire, combat principles, scouting and patrolling and military sanitation are among those that must be mastered by each cadet in the unit before graduation.

SGT. DUNCAN M. SIMPSON

The Harrison High School R. O. T. C. Battalion wishes, at this time, to absolve itself of all the adulation it may receive by placing it upon the shoulders of Sergeant Duncan M. Simpson, for his fine work. Upon completion of this semester, Sergeant Simpson shall return to civilian life.

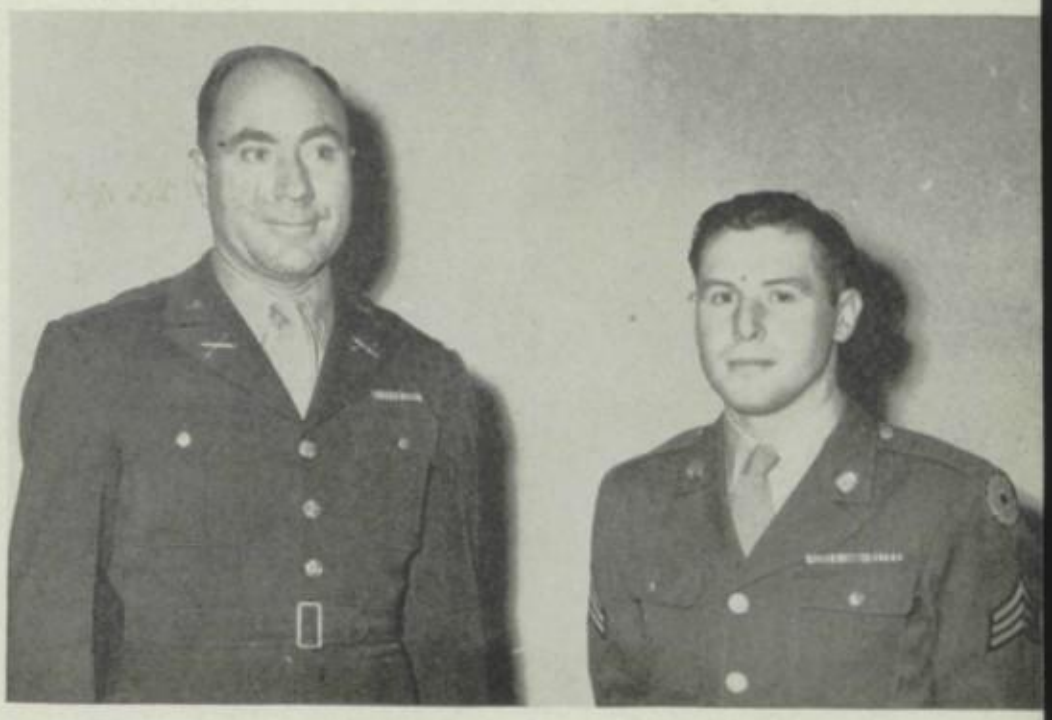
R.O.T.C. MILITARY BALL

Harrison's Second Annual Military Ball, held at the Knickerbocker Hotel on November 21, 1945, proved to be one of the year's outstanding social successes.

Glistening brass buttons and flowing skirts reflected the multi-colored lights from the beautiful glass panels of the grand ballroom as the happy couples glided gracefully across the floor.

First Lieutenant Curtis L. Evans, R. O. T. C. Military Supervisor, was among the honored guests.



The R.O.T.C. Battalion of Harrison bids a regretful farewell this year to Sergeant Duncan M. Simpson, under whose leadership the R.O.T.C. has attained signal honors. The Harrisonian extends best wishes to Sergeant Simpson with the hope that he will attain equal success in civilian life.

GIRLS CHEER LEADERS

With the advent of each new season for Harrison's numerous athletic organizations comes also the need for awakening that competitive spirit in the student body. Without doubt, one could not find a better spark to light that competitive fire than a group of enthusiastic cheerleaders of the type pictured above. Comes the A. M. before any school day and we may find these girls in the gymnasium developing new cheers and hustling to keep that fire burning.

Thanks is rendered to the sponsor, Mr. Dougherty, and we give him a cheer for his fine work!

GIRLS VOLLEY BALL CHAMPS

If you happen to see the girls who won the Volley Ball Championship this year feeling especially elated, it is because they won every game in the Volley Ball Tournament.

This 4B mixed group consisted of members from Divisions 215, 317, 122, and 125. They had to work hard to win this high honor, such as coming before school hours, and cooperating with one another to the fullest extent. For their outstanding ability and sportsmanship, they received blue and gray chevrons.

They will all graduate in June, and they feel justly proud to have won this honor in their last semester.

FOOTBALL 1945

This husky group of young men, the Football Squad of 1945, has recently completed one of the most successful football seasons in the school's history, under the outstanding coaching of Mr. Robert Dougherty.

Leaving the west section smarting from its potent stings, this powerful Hornet Squad plowed its way through to a section playoff with Austin at Soldier's Field. However, this hotly contested, action-packed game found Harrison on the short end of a 14-13 score as the final gun was fired.

The 1946 grid year looks just as promising, what with such capable players as Captain Leonard Zielinski and Co-Captain John Hejl returning to lead our perenially strong Football Team to new victories.

BASKETBALL

Harrison's Senior Team got off to a slow start this season but they gradually are developing into a well-balanced ball club. Essentially a young team, with this year's experience to round it out the Seniors should bring Harrison to top standings during the next season.

The members of the squad are: Capt. James Koukl, John Balek, Clarence Beuke, Edward Carpen, Stanley Drengacz, Norman Engelberg, Justin Fortuna, Irving Korita, Irving Neruda, Wm. O'Shaughnessy, Reno Pellegrini, Richard Prather, Robert Perez, Wm. Proksa, John Stefanoff, Jerry Suchanek, Edward Vohasek, Robert Weber, Albert Walner, Mgr.

Once again Harrison has produced a scrappy Junior team. After a successful practice session, it enters league competition hopeful of placing high in the Central Section standings.

The outstanding players are Capt. Ralph Napolitano, Lawerence Florio, Milton Homolka, Chester Goluch, Joseph Dickshinski (lettermen from last season), and two newcomers, Burton Jacobson and Frank Bik.

The reserve squad consists of Joseph Ciaccio, Thomas Doczekala, Eli Glazer, John Kot, Mario Napolitano, Ronald Neenan, Robert Pasta, John Pfeiffer, Edwin Przybycien, Thaddeus Sraga, Herbert Weisman, William Zavis and the manager, Sheldon Minkow.

The "H" Club is open to all boys who have earned their letter. Membership in the "H" Club is not restricted only to those who have earned an athletic "H," but all types of service H's are included. The "H" Club has been instrumental in aiding the stability of our athletic program through financing, sportsmanship, creating spectator interest, and ticket selling. These boys are the morale boosters of our teams and the school in general.

Members of the "H" Club took an active part in the promotion and presentation of our fall Minstrel Show, which was an overwhelming success.

SWIMMING · BASEBALL

In swimming, practically every muscle of the body is used. It stimulates all the muscles and yet without undue strain and tension. It tones up the muscles and fashions them into graceful curves and lines.

Our Swimming Team suffers irreparable loss with the graduation of Gene Artemenko. A mediocre swimmer when he joined our team, he developed into a state champion, under the tutelage of Coach M. Friedman. Moskiewicz, Kalinowski, Broede, Halac, Schiffman, Manzy, Hopcia, Pazul, and Marra form the nucleus of Harrison's Swimming Team.

The Harrison Baseball Team under the direction of Coach Michael Valentine, looks forward to a season of many victories and interesting games. Having won all of its practice games, and also, having induced very favorable comment from Baseball officials present at the games, it is a safe bet to say that the team will end the season by winning high honors in this section.

This year's promising team is led by four letter men, George Antczek (pitcher), Kenneth Marek (leading hitter of the team), Bud Pfeiffer (captain), and Matt Wisniewicz (catcher). The team's leading bunter is Casimir Tabisz, who will add greatly to the scoring capacity of the team.

GYMNASTICS

★

The loss, through graduation, of Captain Pfundheller, Skolek, DeRose and others is felt keenly. However, our new co-captains, Ckhak and Kross, with the aid of Moskiewicz, Pravnum, Spizzirri, Chalupa, Costentino, Walske and a score of others will make our aggregate formidable. Our Gymnastic Team meets daily during the 6th period. Once again, after an absence of two years in the Navy, Coach M. Friedman is at the helm.

WRESTLING

★

Coach Libner has had little difficulty in developing an excellent team. Seven practice and seven regular dual meets in the High School League has been scheduled, not counting the State and Individual Championship Meets.

The team is banking its hopes of success in men like Capt. Chalupa 145, Caithamer 112, Barber 120, Oreski 127, Wierzbowski 133, De Bartolo 138, Somrek 145, Zielke and Kraft 154, and Marks 165 lbs.

TRACK TEAM

The track team opened its 1946 season with a good outlook for future championship titles. Aided by the coaching of Mr. Theodore Blum, new coach of the team, the boys started out with a tough schedule ahead of them.

The outdoor season will hold many dual meets against the best high schools competing against the Blue and Gray.

The team will also enter in some of Illinois top track meets, among which are: Oak Park Relays, Wheaton Relays, Proviso Relays, The C. A. A. Meet, Chicago City Championship and the State Meet.

The prospects for the senior team with the presence of Glen Novotny in the pole vault, Co-Captain Fred Stark in the hurdles, and Irving Schulman in the High Jump, performers all of whom are city champions.

Other outstanding performers are Captain Reno Pellegrini in the Broad Jump, and John Kobrinetz 440 Yard City Finalist, George Planic in the sprints George Beran and Herman Prychitko in the distance, and Chester Koval in the High Jump.

The Junior Team, though new, is slowly starting to work and gives much promise.

CROSS COUNTRY

Harrison's Cross Country Track Team, for the second consecutive year, finished second to the once more champion, Lane Tech.

Failing only to whip the Lane Aces, Harrison wound up a fine dual season with smashing triumphs over the other teams in its section.

Among the members of Harrison's team, are: Fred Stark, the city's hurdles champion, holder of numerous records and leading runner of the squad; George Beran, and Paul Harris, long distance miles runner; Herman Prychitko, the elongated two miler, probably the tallest runner in the United States; and Ray Okonski who recently was called to the service. His absence is sorely felt by the team.

Harrison's Track Team's chief goal at the present time is to beat Lane in a cross-country race and gain an unbeaten season.

H GIRLS · GIRLS' BOWLING

Many girls wonder how they can receive their G. A. A. "H". In order to receive an "H" a girl must earn 1,000 points in a wide variety of activities. These activities include team games as well as individual activities, such as Bowling, Hiking, Horseback Riding, Tennis, and Skating. She must also earn points for scholastic achievement, medical and dental examinations, and sportsmanship.

If a girl finds that she has acquired 1,000 points according to the specifications, she feels it a distinct honor to receive the G. A. A. "H".

DOROTHY L. MC HUGH

The two hundred girls who compose the Girl's Bowling League bowl every Monday and Thursday after school. The highest scoring team, each team consisting of five girls, is the "Wolves" of 254, whose players are Antoinette Cebrat, Theresa David, Shirley Altabello, Gloria Wenchowski, and Margery Frickey. The highest individual bowler is Helen Pristup of 341 with a 131 average.

We are eagerly looking forward to another enjoyable year of "Strikes and Spares" with Miss McHugh and Mrs. Kazda, under whose capable leadership we have recently completed our first year.

G. A. A. BOARD AND STUDENT HELPERS

MAE R. KAZDA

Each Wednesday, the eighth period, in 118, the G. A. A. Board may be found discussing and planning the future activities for the G. A. A. members.

Among this semesters social affairs were: Frosh Halloween Party, the Annual Christmas Party, and a picnic at Ryan's Woods.

Officers and chairmen of the various committees are giving their time and energy so that the name of the Harrison G. A. A. may be recognized as one of the best organizations of its kind.

These are the hard working student helpers. In their uniforms of white they referee games, and assist girls working on apparatus. They seem to find all of the work interesting because many of them have been helpers for two or three semesters. An "E" or an "S" in Physical Education is required of all these girls before they can meet the qualifications. They are all working for a G. A. A. letter, and receive twenty-five points a semester for their work.

BOYS' BOWLING

C. A. P. C. • BOYS' BOWLING

In a world where oceans are becoming rivers, continents mere airstrips, and weeks dwindling to hours, the United States must remain a leader in aeronautical achievement. The Civil Air Patrol Cadet Corps has recently developed into a vital cog of our military system. While its strategic advantage cannot be underestimated, the main keynote in cadet training is to make our future citizens air conscious.

Practical applications of subjects taught to these cadets, both in squadron classroom and in high school, are brought into operation at Stimson Airport, on the ground and in flight.

Harrison's striking Boys' Bowling Team, under the direction of Mr. Charles Krupar, has again led in a victorious and enjoyable season. The teams have adopted such colorful titles as "The Big Five", "The Flying Strikes", "The Blitzkreigers", and "The Bombers", to name a few.

Among the high scoring individuals are; Bartosek—245; Kowalsky—225; Pisani—215; and White—200.

Climaxing this season was a banquet held the second week in March.
